Ray recommends reading the pamphlets we have on our website BEFORE voting.

Todd states to match Intergroup – we are removing 4 and adding 3. Can easily add “additional pamphlets” tab. Recommends keeping the 4, add the 3, adding the link to all. Can mock it up, not live, to look at.

Julie states just add the link to add more pamphlets and keep what we have in an effort to simplify.

Linda is concerned with the quantity of pamphlets, likes idea of link to 2nd tier of pamphlets.
