

Dear Senior and Parents/Guardians:

Wednesday, October 9th is a day for seniors to firm up post high school plans as they are afforded an opportunity to job shadow, visit a college (in person or virtually), or perform community service. While sophomores and juniors are testing (PSAT) on this day, seniors will gain information on a college or career or give back to the community.

For this to be a success it must be a joint effort of parents, students, and the school. Since seniors will not report to school, we (the school) must know that you (the parent/guardian) are aware of where they are and what they are doing.

The following activities are approved for participation for the day:

- **Job Shadow-** Arrangements must be made to go work with someone in a career of interest. The day could be split between two occupations. **Please note - NO job shadowing will be available within the school district that day.**
- **College Visit (in person or virtual)-** Make an appointment ahead of time and visit a college (parents are encouraged to accompany students). **PLEASE DO NOT JUST SHOW UP AT THE COLLEGE. CALL AHEAD AND MAKE AN APPOINTMENT. PHONE NUMBERS ARE AVAILABLE ON-LINE ON THE COLLEGE WEBSITES.**
- **Community Service -**Students may access information about opportunities by checking the bulletin board outside of the main office. Also consider volunteering for church, youth groups or other organizations.

Parents/guardians must notify attendance if their student will be absent this day. If students are not called out by a parent and do not participate in a required activity, they will be considered unexcused absent.

We must receive notice of what your student is participating in for this day in advance. Please complete the form below and **return it to the Counseling office by Wednesday, September 25th.** In order to receive credit for the day, students will also be required to complete a reflection which will be assigned in English class. Students will be expected to provide documentation and/or information about their activities for the day which will be outlined in the assignment. **Students must submit their reflection assignment (including appropriate information and documentation) no later than Monday, October 14th.**

Detach and return to the Counseling office by Wednesday September 25th.
