

EMS Chromebook Damage Fee Schedule

2026-2027

DISTRICT FEE		
Fees highlighted in green are set by the district - see link for more information.		
Charger		
No charger	\$45	If they turn in a comparable 60 watt charger, do not charge
Keys		
1 missing key	\$25	If you are able to save the key and its components, it might be able to be re-attached. Inform the school as soon as possible.
2 missing keys	\$50	
3+ keys / full keyboard replacement	\$99	
Keyboard frame damage	\$50	Frame cracked/bent; even if keys are intact
Screen & hinges		
Screen replacement	\$129	
Hinge damage	\$45	
Ports and Battery		
Charging port replacement	\$99	Some devices have multiple charging ports
Battery replacement (won't charge)	\$99	Look for loose wires sticking out of the battery wire
Case & frame		
Minor outer case damage	\$30	Deep scratches, small cracks to outer case — cosmetic only
Severe case / structural damage	\$99	Device crushed, bent, major structural failure
Complete Replacement		
1 year old device (2025)	\$435	Look at the tiny sticker on the back that lists the year. If missing, contact the school to learn more about how old the device is.
2 year old device (2024)	\$335	
3 year old device (2023)	\$235	
4+ year old device (2020 - 2022)	\$135
