

eLearning Day #1

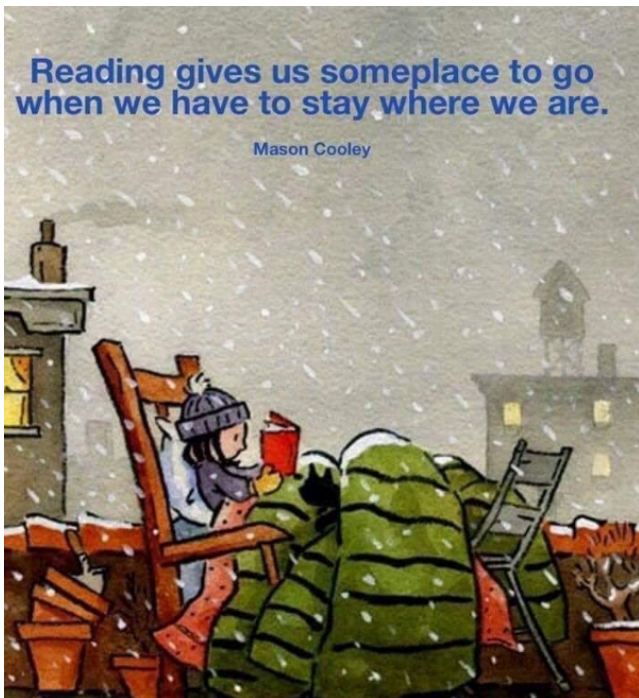

March 18, 2020

Please choose at least one activity per column each day.
You may repeat favorite activities on subsequent days.

eLearning Menu

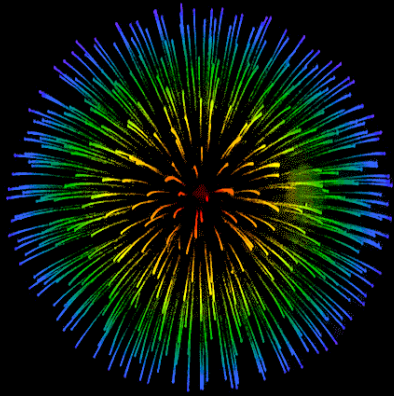

Good Morning First Graders!

Please click the eLearning Menu link (above) to view activities to continue your learning while we are away from school. The first grade teachers have put together a variety of engaging ideas that you can work on in each subject area.

I am available (via email) during regular school hours if you have any questions. Please do not feel that you have to work the entire school day! In fact, once you finish your daily choices, you are done!

Exercise, creativity, music, and books are just as important as academics! Be sure to check out the social emotional column and the link from the Specials Teachers!

eLearning Highlight of the Day!

Sight Word Practice

This is a great time to review the 1st Grade Sight words! You can write the words on flashcards or print them out. Just click this link for the quarterly lists for easy and fun home practice.

[Sight Word Links](#)

As part of the First Grade Language Arts program, students are expected to master 3 lists of **High Frequency Words**, also known as Tricky Words. These are words that should be recognized instantly, by sight, and not “sounded out” phonetically. Many of these words do not “play by the rules” and are tricky to read. Memorizing these words will help readers with both fluency and comprehension when reading.

Sight words have been directly taught and assessed each quarter to monitor your child's progress and ability to read each word without hesitation. If your child is not secure with some of the sight words, set them in a pile to work on each day (5 per day), until all words end up in the "Words I Know" pile!

I will most likely be climbing the walls by about 10:00 a.m. so, feel free to email a friendly "Hello" my way, to let me know how you are doing and what you are up to!

Love,
Mrs. Brouch
