

Podcast Debate Vlog Checkbrick and Success Criteria

Learning goal: Create a podcast/vlog and upload it to your Youtube account to share.

Videos:

1. [Vlog/Podcast with WeVideo](#)
2. [How to finalize your WeVideo video and upload to your Youtube channel:](#)
3. [How to link/embed your Youtube video on the class site and your portfolio website](#)
4. [Uploading your video to Youtube as UNLISTED or PRIVATE \(or if you forgot to click Youtube in WeVideo\).](#)

Basic requirements = must have:

- ☐ audio recording in WeVideo
- ☐ imagery in WeVideo

Level 3 (Good):

- ☐ audio recording is your personal creation
- ☐ audio is edited to remove gaps or dead sound at beginning and end or throughout
- ☐ related or relevant imagery pictures/video
- ☐ minimum of 7 images or videos
- ☐ uploaded and shared to your Youtube account

Level 4 (GREAT!)

- ☐ audio recording has a natural interactive discussion style - like a conversation
- ☐ recording is longer than 2 minutes and less than 2:30 minutes (3-3.5 min if you spoke to me for a group of 3 people)
- ☐ images are synchronized
- ☐ intro and outro music included (less than 5 sec.)
- ☐ debate should be balanced for voice length and argument strength
- ☐ arguments are on topic and make sense
- ☐ images/videos included are changing every 5-10 sec
- ☐ linked on your class website
- ☐ embedded on your portfolio website
