

St. Michael School PA **Public Meeting Minutes**

February 24, 2026 - 6:00 PM

St. Michael School Teachers Lounge

- PA Admin/Principal Updates
 - No new updates.
- Treasurer's Report (Ashley)
 - The Fishing Derby was very successful raising over \$31,000 for the school. Congratulations to Alyssa Quintal and all involved!
 - The updated report reflects some new expenses from the Friends fund, such as recent field trips and school-wide activities like bowling and the magician.
- Room Parent Coordinator Update (Ashley)
 - Ashley will be sending an email to classroom parents with ideas for auction class projects.
 - Ideas/concepts from classes due to PA by March 6th
 - Items completed by April 3rd
 - Up to \$250 to use per classroom.
- Development Coordinator Update (Travis - absent)
 - Friends of SMS – no major activity to report; see Treasurer's notes.
 - Fishing Derby
 - Great turnout, very successful. Some thoughts for next year:
 - Need more food options; without the food truck this year, many participants were disappointed there was no food.
 - Need more volunteers, particularly at the end during the raffle drawings.

- Considering a possible combo indoor cornhole tournament at the Community Center.
 - Possible small increase for adult entry fee; other local derbies are slightly more.
 - Reexamine kids contest – prizes are outweighing fees.
- Auction
 - Planning is underway for the 2026 Auction, which will be held Saturday, April 11th. More details will be included in the upcoming newsletter.
 - Focus this year will be on a fun event experience with a smaller auction.
 - Theme will revolve around a professionally led trivia game.
 - We will need volunteers to assist with item procurement, décor, setup and breakdown, check-in and other tasks during the event.
- Upcoming Events
 - Grandparent breakfast days will be the week of March 30th; notice will go in the next newsletter. PA will confirm with Shelley the max # of grandparents allowed per child. School will provide food. Breakfast will be served at 7:30am Monday, Tuesday and Wednesday that week.
 - Parent lunch days will be the week of May 4th. Unlike the breakfasts, parents can bring in outside food for their child(ren) on these days if so desired, or parents can join for hot lunch.
