Math Kangaroo USA
since 1998
International Competition in Mathematics

Dear Parents,

Your child is among 60,000 Math Kangaroo 2026 participants in the USA and several million participants worldwide. We are glad you decided to participate!

Math Kangaroo 2026 Info

- **Online Center name: [provide the name of your center]**
- **Address: [provide the address where the center is located for the MK item pick up]**
- **Manager: [provide your first and last name]**
- **E-mail: [provide your email address]**
- **Competition time: March [date], [start time]]**

Math Kangaroo 2026 – General Guidelines

- Your child will take the MK test [at home / at school online].
- The test will be on his/her computer/laptop; access to the Internet is necessary.
- **No calculators, smartphones, or any other devices are allowed during the test.**
- Students can have pencils, scratch paper, and erasers.
- Competition starts in March [date] at [start time]. Please join the [meeting – include the link now or send it later] **15 minutes earlier**.
- The MK Center Manager will help you access the test.
- Once you have test access and click start, the test will **automatically stop after 75 minutes**.
- The test is **multiple-choice** with:
    - **24 questions** for students in grades 1-4
    - **30 questions** for students in higher grades
    - **0 points** for wrong or unanswered questions
- A separate **email from Math Kangaroo** with your child's **login information** will be sent the **evening before the test day**.
- Free sample questions and more resources are on our Practice page.
- Math Kangaroo offers **FREE online practice tests:**
    - Free 1-2 Test
    - Free 3-4 Test
    - Free 5-6 Test
    - Free 7-8 Test
    - Free 9-10 Test
    - Free 11-12 Test.
- **Free video solutions** and discounted PDFs are in your account. Guidelines HERE.
- Correct answers will be posted on the **Math Kangaroo webpage** **one month and one day** after the competition.
- **Results and winners** will be announced in **May.**

- Besides the MK competition, students and adults can participate in a **poster contest** to promote **Math Kangaroo 2027**!

  Two grand prizes:

  - **$200 for the best poster**
  - **$100 for the best T-shirt design** (chosen from the posters)

Math Kangaroo Participation Gifts

(Only if your Online center is distributing toys, pencils, and participation ribbons)

- I will distribute **math toys, pencils, and ribbons [before/after]** the test day on **[provide date]**.

If you have any questions or concerns, please do not hesitate to email me.

Sincerely,

[provide your first and last name]

Math Kangaroo Manager of [provide the name of your center]
