

5th Grade Newsletter

Dear Parents,

August 28, 2020

We had a fabulous first week of school! This school year is like no other! Your children are doing an amazing job of learning and practicing our new routines. We have learned new routines for walking in the hall, washing and sanitizing our hands and sanitizing our desks! It takes some getting used to but we are all getting better at wearing masks too!

Agendas/School to Home Communicator Card-This is a wonderful tool to help them stay organized. *Please also look at your child's school to home communicator card, which is in the outside cover of the students' take home folder. This is another form of 5th grade communication. Your checks at home will help them to develop good homework habits!*

Progress Book-Please make sure you can log into your child's progress book account. Please go to account information and make sure that the correct parent email address is found there.

Chromebooks- Please make sure your child's chromebook is charged each day.

Early dismissal or change in transportation-Please contact rachel.weidner@gocreek.org and kathy.salley@gocreek.org if there is an early dismissal or any change in transportation plans. This is the best way to notify us because we may not have time to check email or may have a substitute.

Newsletters- Newsletters will be sent electronically ***using the email address that you have in your child's progress book account***. These are typically sent out every other Friday. We will also post the newsletters on our fifth grade website.

<https://sites.google.com/beavercreek.k12.oh.us/fifth-grade/home>

Water bottles-Please make sure your child has one or two full bottles of water each day. We drink plenty of water on these hot days. Please make sure that they use a non-spill water bottle due to the use of technology in the classroom.

String Bags-Please send a string bag in with your child. We use these to keep chromebooks, charger cords, and headphones.

Expo Markers- Students will use Expo markers almost daily in math. The brand name Expo instead of other brand dry erase markers works the best! Please send in Expo brand dry erase markers.

1 more Plastic Folder and 1 Sharpie- Please send 1 more plastic folder with prongs for ELA and a sharpie. We will be using this throughout the year.

Thanks for your continued support!
