

Name: Bubu, also known as @justcallme_bubu

RoleS: Twitter Space Moderator and Community Manager

Overview

I moderate Twitter Spaces with a focus on flow, audience participation, and retention. My goal is simple. Make conversations easy to follow, inclusive, and worth staying for. I help hosts sound organized while the audience feels seen and involved.

What I Do in Spaces

I co-create the structure of the Space with the host. I manage speaker flow and transitions. I keep conversations on track without killing the vibe. I encourage audience participation and questions I manage time and energy so the Space does not drag I handle moderation issues and audience control

Types of Spaces I Moderate
