

## **The Support we offer for Ākonga**

Our commitment is to keep the ākonga needs and achievement at the centre of any service provided. We do this by;

- Collecting voice from and collaborating with whānau and kaiako to support ākonga in inclusive ways
- Collecting ākonga voice to gain a deeper understanding from their perspective
- Gathering evidence from multiple perspectives such as observation and assessment
- Supporting the development of goals and helping to identify strategies and resources that will support positive outcomes for ākonga.
- Ongoing monitoring and review of educational supports
- Working alongside outside agencies

We can also assist with

- Early Intervention transitions
- Transitions between primary and secondary settings
- Bilingual Assessments for ākonga
- Unpacking specialist reports and recommendations for support
- Gateway process for ākonga who are supported by Oranga Tamariki
- Applications to other specialist services and initiatives including, Ongoing Resourcing Scheme (ORS), Assistive Technology (AT), Audiologists, Speech Language Therapist
- Supporting ākonga who attend Alternative Education
