The purpose of this schedule is to provide all students access to a consistent schedule that they can depend on in this unsettling time.

What your Scheduled class time could look like...

- Students receiving "Live" instruction on new concepts deemed essential or review concepts
 - Teacher's presenting the weekly plan and scheduling individual/group sessions
 - Students working in small groups
- (These sessions should be recorded so students who are unable to attend can have access at a later time.)

What your Office Hours/Intervention Time w/ Q&A Live Sessions could look like...

- Open time for students to drop in to ask a quick question
- Teacher scheduled remediation with one or two or a small group
- Building relationships and help students organize their learning

What your Scheduled class time should not look like...

- Students completing homework
- Students being overwhelmed with every concept we would have taught if the closure didn't happen

What your Office Hours/Intervention Time w/ Q&A Live Sessions should not look like...

- Students overwhelmed with busy work
- Teachers sounding like [Charlie Brown](#)
