Congratulations on being chosen as a Washington Community School District Scholarship Recipient. Please notify your school's financial aid office that you will be receiving this scholarship during the 2nd semester.

Please follow the guidelines below to receive your award.

Upon completing the 1st semester, checks will be issued in January 2027 and after the school administration office has received the following information:

1. Send a Transcript (Does **not** need to be an Official Transcript) from your 1st semester to the school administration office. A printout from your college website that clearly lists the name of the institution and current grades will be acceptable.
2. Include a copy of your 2nd semester schedule as listed on your school's website.
3. Provide us with the address of the Financial Aid office where the check should be sent:

To ensure the checks can be sent to the college in time for the 2nd semester due date, these documents must be received at the school administration office by January 15, 2027.

If we do not receive this documentation, you will not receive the proceeds of your scholarship unless prior arrangements have been made with our office.

If your plans change, please notify the school administration office.

Documentation can be dropped off, mailed or sent by email to: csinn@washington.k12.ia.us at the school administration office.

Please be sure to include your name on all correspondence.

If you have questions, feel free to call Trish at Central Office @ 319-653-6543 or send a message to the email address above.

Thank You!
