

CodaxZip Privacy Policy

Last Updated: April 19, 2026

Introduction CodaxInc (“we,” “our,” or “us”) operates the CodaxZip application for visionOS. We are dedicated to protecting your privacy. This Privacy Policy outlines that our application is designed as a local utility and does not collect, store, or share any personal data from its users.

Data Collection and Use CodaxZip is a file management and archiving utility that operates entirely on your device.

- **Personal Data:** We do not collect any personally identifiable information (such as name, email address, or phone number).
- **File Access:** While the app allows you to manage, zip, and unzip files, all file processing is done locally on your Apple Vision Pro. We do not have access to your files, and no data is uploaded to our servers.
- **Biometric and Movement Data:** We do not access or collect any eye-tracking, hand-tracking, or biometric data.
- **No Account Required:** You can use all features of CodaxZip without creating an account or providing any registration information.

Third-Party Services CodaxZip does not include any third-party analytics, advertising SDKs, or tracking scripts. Your file management activity remains private and local to your device.

Data Security Because CodaxZip does not collect or transmit user data or files, there is no risk of your personal information being stored or compromised on our end.

Changes to This Privacy Policy We may update our Privacy Policy from time to time to reflect changes in our practices or for other operational, legal, or regulatory reasons.
