

Front Rowe Doodles

Hello,

Congratulations! It's puppy time!

We take pride in raising beautiful healthy family pets, and we are excited to have you be a new owner and part of the Front Rowe Doodle family! Please read the rest of this document very carefully and sign when you are ready and understand the deposit parameters.

You have chosen to reserve a puppy from our _____ litter. In order to reserve this puppy, we are requesting a non refundable deposit. This holding fee is \$500 and can be sent via Venmo, Zelle or can be given in cash. Please title your deposit as "Litter Deposit."

Please make sure you understand that this deposit is non-refundable, however it can be transferred to any of our other litters should things change. All of our puppies are firmly priced at \$2500 and the \$500 is deducted from that cost. The remaining cost of the puppy will be paid at the time of pickup or on "Gotcha Day." Please reach out if you have any concerns regarding this contract or the deposit expectations. If you do not have any concerns, sign below. Again, as previously mentioned, deposits will NOT be refunded.
