

Welcome to Ms. Hendee's 8th Grade Physical Science Class!

My Contact Information:

1.) Kathlyndh@leeschools.net

2.) 239-283-2001

Topics of Study: This year's science journey includes an exploration of...

- * *Lab Safety*
- * *Energy*
- * *Thermal Energy*
- * *Waves and Electromagnetic Radiation*
- * *Forces and Motion*
- * *Introduction to Matter*
- * *Solids, Liquids, and Gases*
- * *Atoms and the Periodic Table*
- * *Chemical Reactions*

Supply List:

*****Please refer to Mrs. Kellams Profile to see supply list for all classes**

Classwork/Google Classroom: Students must bring all materials to class everyday. Please keep chromebooks charged and brought to class everyday. (You will not be able to charge your chromebooks in class) All work will be posted on google classroom, it is the students responsibility to check google classroom daily for agenda and assignments. Most work will be due on google classroom unless told otherwise.

Homework Policy: I typically assign homework assignments each week, however, classwork not finished in class might become homework. Homework is expected to be complete and turned in on-time. Late assignments can earn a maximum of 70%. Homework that has been copied from another student will result in a zero for both students; in addition to the grade of zero, a Crew Card mark for cheating will be issued to all parties involved.

Grading: Student learning will be assessed using various methods. Quarterly grades will reflect student performance in the following categories:

- | | |
|------------------------|----------------------|
| * Tests / Projects 40% | * Classwork/Labs 20% |
| * Quizzes 30% | * Homework 10% |

TMS Mission Statement

"The purpose of Trafalgar Middle School is to provide all students relevant educational opportunities that develop skills, knowledge, attitudes and character to be a productive, responsible citizen."
