Overview doc - release board

<Epic name> - overview doc - release board

The Problem / Opportunity 🎯

Describe the problem / opportunity that this feature will address. For example - advanced filters are very useful for users who wish to narrow down the results through two or more conditions.

Target Audience / Personas 👫

Describe the specific target audience for which this feature will be relevant.

Solution 🧩

This part should hold **the high level solution and the key features**.

Visuals 🖌️

Add a link to any Figma or wireframes you may have

Known limitations / Out of scope 🚩

Describe any key limitations or areas that are not part of the current release scope

Frequently Asked Questions 🤷‍♂️

Is there anything else the reader needs to know?

Release plan 🏁

Please describe the general release guidelines. Are there going to be alpha/beta groups? Are you planning to add it to monday labs? Please share any info that you can, and if you have a specific timeline please share as well.
