## **More information or updates @ [stevensraiders.com](http://stevensraiders.com)\*\*\***

We want to recognize the continued effort many of you are making to follow our cell phone expectations of consistently placing your phones in the teacher-designated areas at the start of class and keeping phones out of bathrooms/locker rooms. You are helping protect learning time, privacy, and maintain a respectful environment for everyone.

Because of your effort, classrooms have fewer distractions, and everyone has a better chance to focus, participate, and maintain a healthier learning environment. Please keep it up! Your choices are making a positive difference for SHS!

This week is **Theme Week** leading up to our Pep Assembly on Thursday! Make sure you're participating and showing your Raider pride all week long. Here are the themes:

- **Thursday – Raider Spirit Day** at the Pep Assembly
- **Friday – White Out for Cancer**

The **registration process** for high school is important, as it determines your schedule and the master schedule. On February 10 students watched a registration video in their 9<sup>th</sup> grade computer application class, English 10, or English 11 classes. Students also received a registration course selection sheet from their teacher. Complete the course selection sheet and confirm with your parents your chosen courses. If you were absent on February 10 communicate with your assigned teacher to receive registration materials.

- 9<sup>th</sup> grade students turn in your completed worksheet to your Computer Application teacher **no later than February 23.**
- 10<sup>th</sup> grade students turn in your completed worksheet to your English 10 teacher **no later than February 23.**
- 11<sup>th</sup> grade students turn in your completed worksheet to your English 11 teacher **no later than February 23.**

During the week of February 23 Stevens school counselors will be back in your classrooms to assist you with entering courses into Skyward.

A representative from **University of Wyoming** will be in the Link during 5<sup>th</sup> lunch today.

There will be an informational meeting for all girls interested in **softball** next Thursday, February 26 at 3:30 P.M. in the 9<sup>th</sup> grade lunchroom.

**Juniors** – ACT testing is on March 4. If you know you are going to be absent, you must contact Mrs. Thompson immediately to schedule a time to take the test prior to March 4. Testing room assignments for students in grades 9-11 are posted on the commons bulletin board. If you do not see your name, please see Mrs. Thompson for this information.

**You are now invited to remove your hat and stand for the Pledge of Allegiance**
