## OTC Medication Permission Form

From: Office of the School Nurse  
Re: Over-the-Counter Medications (OTC)

Please note that Archē Classical Academy does not have a nurse on campus most school days. Authorized school personnel will administer medications as necessary. Archē Classical Academy does not stock any medicines.

1. All medications must be provided in their original packaging, clearly labeled with the medication name, dosage, and frequency.
  2. A written order from a licensed healthcare provider is required if your child needs a dosage or frequency that exceeds the manufacturer's recommendations.
  3. Please submit one sheet for each student.
  4. OTC medications include cough drops, Tylenol, Robitussin, Claritin, Tums, and Lactaid.
