\$60

When you're cooking for a few people, a large frying pan comes in handy. If you need one, consider this [12-inch stainless steel skillet](#) from the GreenPan and [Bobby Flay collection](#). Made of two layers of stainless steel and an aluminum core, this pan is durable and has a nice 4-quart capacity for a range of dishes. It has GreenPan's ceramic nonstick coating to help easily release everything from fried eggs to seared steaks. A glass tempered lid with a stainless steel handle and rimmed edge lets you monitor the cooking process, all the while containing any splatters inside the pan. It is compatible with any stovetop and oven-safe up to 392°F. Shop it now for weeknight dinners and holiday festivities.

Ninja Blast Max Portable Blender

<https://www.amazon.com/Ninja-removable-Dishwasher-Leakproof-BC251NV/dp/B0DB8ZN253>

\$90

This [Ninja portable blender](#) makes it easy to start your day with a [breakfast smoothie](#). And, if you're running late, take it with you to blend that drink up later. The button on the base powers the blender and offers three push options: smoothie, blend, and crush. Fill up the 22-ounce transparent vessel and use the push-top lid for sipping and the ergonomic handle for easy carrying. The vessel simply twists on and off the rechargeable base to double as the drinking tumbler. Grab your favorite color from the seven different options and head out in style.

Koios Food Processor

<https://www.amazon.com/KOIOS-Processor-Electric-Chopper-Bi-Level/dp/B0D96DKGL4/>

\$40 / \$27

Ingredients for those comforting winter recipes are prepped quicker with the [Koios food processor](#) around. This newly released tool has a 500-watt motor that powers through and can chop, blend, puree, mince, and mix in mere seconds. Just toss the ingredients into either 8-cup capacity bowl (there are two in the set), put the lid on, and place the motor on top. There are two-speed modes to choose from for a smooth or quick chop. Since the bowls and blades are dishwasher safe, cleanup is a breeze. Snag it for \$27 when you apply the coupon.

Yeti Food Storage Container

<https://www.amazon.com/YETI-Food-Storage-Container-small/dp/B0DH9L6KXH?th=1>

\$10

Yeti is known for its coolers and tumblers, though the brand has officially delved into smaller storage with its now released food storage containers. This [Yeti small-sized food storage container](#) is made of durable plastic and holds around 1 cup, making it ideal for snacks and leftovers. The lid has a silicone seal and four snap-tight latches for an airtight, leak-proof seal. It's also available in a [medium 3 cup size](#) and a [larger 8.5 cup](#). From the refrigerator to a cooler, this storage container will keep your food fresh and secure.

Keurig K-Duo Single and Carafe Coffee Maker

https://www.amazon.com/gp/product/B0D8LXRHQ8/ref=ewc_pr_img_1?smid=ATVPDKIKX0DER&psc=1

\$200 / \$160

This [Keurig coffee maker](#) has already been purchased by over 6,000 shoppers in the past month. Typical of the brand, it has several nifty features. There's a spot for a carafe, which can make 6 to 12 cups, and a separate place for making single-serve cups of coffee from a 6-ounce up to a 12-ounce cup. It's compatible with K-cup pods or ground coffee. Plus, it's auto-programmable so you can have a cup (or two) waiting for you when you wake up in the morning.

Bella 4-Quart Slim Air Fryer

<https://www.amazon.com/Fits-anywhereTM-Kitchenware-EverGoodTM-Adjustable-Temperature/dp/B0CZPF82BY?th=1>

\$50

The [Bella air fryer](#) will make getting food on the table quicker and easier, especially during the busy holiday season. And unlike other models, this one is slim and compact, measuring about 15 by 8 by 11 inches, so it takes up less space on any counter. The easy-to-use control panel includes six presets, and the ability to adjust the temperature. Plus it has an extra-large basket that can hold over 3 pounds of food. It comes in four colors. Snag your favorite one for just \$50 and air fry a batch of french fries, chicken wings, salmon, and more.

Priority Chef 6-Piece Mixing Bowls

<https://www.amazon.com/Priority-Chef-Stainless-Attachments-Airtight/dp/B0CZF39R36>

\$30 / \$24

A [good set of mixing bowls](#) is a must-have when you're whipping up cakes, salads, holiday cookies, and more. This [set of six stainless steel bowls](#) ranges from 1-to 6-quarts in size, so you can accommodate small to large batches. Each bowl has measurement marks inside for quick gauging, and a nonslip base so it stays in place. The included airtight lids ensure whatever is stored in them is kept fresh, too. And yet another bonus? Three steel graters are included, so you can grate and slice right into one of the bowls. Every piece is dishwasher safe, saving you cleanup time, too.

Yeti 7-Ounce Flask and Funnel

<https://www.amazon.com/YETI-Flask-Funnel-Black/dp/B0DBX3KBY8?th=1>

\$50

There's times when you want to take along a beverage with you, and that's where this [Yeti flask](#) comes into play. This stainless steel flask measures about 5 by 3 inches, and has a slightly curved design, so it fits perfectly into the pocket of a shirt or jacket. It has a twist cap for easy access to sip and savor your drink of choice. Like other Yeti products, this flask is leakproof, airtight, and insulated, so there's no worries about fluctuating temperatures or leakage. And, there's a funnel included for mess-free pouring into the flask.

Gracenal 3-Tier 2-Piece Fruit Basket Set

<https://www.amazon.com/Kitchen-Organizers-Stackable-Vegetable-Countertop/dp/B0D8VYLB8>

\$54 / \$20

Whether you're [storing potatoes](#), fruit, or other vegetables, an ideal way to keep them this holiday season is with this [Gracenal two-piece fruit basket set](#). It's currently 63% off right now, too. There are three tiers in each basket: Two tiers are wire mesh allowing for good airflow, while the third is bamboo so you can store other items, such as cans or spice jars on top. These baskets can be placed on the counter, put in the pantry, or mounted on a kitchen wall. They're stackable too. "These baskets are perfect for organizing my kitchen. They're sturdy, stack securely, and hold a good amount of fruits and vegetables," writes [a reviewer](#).

Astercook 13-Piece Knife Set

<https://www.amazon.com/Astercook-Kitchen-Anti-Rust-Dishwasher-Stainless/dp/B0D9B96TBX>

\$50 / \$20

Chopping ingredients is a daily task, especially during the holidays when prepping stuffings, salads, and other holiday meals. This carbon steel [knife set by Astercook](#) is up to whatever cutting tasks you need. It includes a chef's knife, a slicing knife, a santoku knife, a bread knife, a utility knife, and a paring knife. Each knife has its own blade guard to protect it when it's stored. There's a pair of kitchen shears included too for cutting twine and protein. This set is currently on sale for 60% off, and over 2,000 sets have already been bought. It's a hard deal to pass up.
