

My name is Trinity Crane, and I am a first-year teacher at Dilworth Elementary! I previously taught at Piney Grove Elementary as a 5th Grade Science Teacher and am excited to start at Dilworth as a First Grade Teacher. I am a Charlotte native but did my undergraduate at The University of Mississippi, getting my Bachelors of Science in Exercise Science. I am so excited to be a part of the Dilworth family and look forward to creating a positive learning environment for my students along with fostering meaningful relationships!

Best,
Trinity Crane
