Stunts

Species Stunts: Human

Pink skin in a corner: If in a corner and the character believes there is no way to survive, spending fate points to get out of the situation count as a +3 instead of a +2

The Humanity Factor: Whenever you tie in a personal social contest with a member of another race, without spending any fate points, you may treat the results as if you had rolled one point higher.

Sheer Dumb Luck: Whenever you roll all + or all – on a check, you may choose any player (including yourself) to receive a fate point.

Current Fate Points: 7
