

# Google Meet

[Watch the video about MEET](#) ( you may now have up to 100 participate)

You may wish to meet with your students live. Google Meet is now open to students to Join your session. ( They can not create their own session)

Login to Google Meet ( with your school Gmail)

<https://meet.google.com>

2. Go to Join or start meeting
3. Give it a name
4. Once there you will see yourself etc, Click on JOIN NOW
5. That will give you a url , copy it
6. Then place that link in your google classroom
7. The students will join through the URL you provided.
