Red = Cuphead

Part 1 - (OPEN)

I hope this won't sound impolite. Or come across as too forthright. But even though you seem alright, I..... think I'm better than you.

This is sung towards Cup.

Part 2 - (OPEN)

Now, please do keep this thought in mind, that's just my personal conviction. You're smart and fun, you're sweet and kind, I'd call our friendship an addiction.

Singing continues, and at "I'd call our friendship an addiction" Mug puts his arm around Cup. Yes, this can be silly, go ahead and give Mug a uwu face!

Part 3 - (OPEN)

Your shoes are shined, your breath dulce. But still I find I have to say I, think I might be better than you.

Mug finishes singing, and when the violin starts, Cup pretends to giggle a bit, maybe evil?

Part 4 - (OPEN)

You seem impressed with what you've shown, but I don't find it that compelling. You've sung my praise but not your own, and well, I think that's pretty telling. But while we're on the subject of how I'm superb and leagues above, you ought to know I'm number one.

Cuphead sings, its his turn now. When the part is about to end, he reaches behind his back.

Part 5 - (OPEN)

I know that might be hard to swallow. (Wa wa wa wa.) This hurts you just as much as me. (Oo oo oo.)

Cuphead sings this while taking out and holding a contract, and the background singing (Wa wa wa wa and oo oo oo) is some random bosses.

Part 6 - (OPEN)

But when this song is sung then you and I'll know, that you're just a nobody!

Cuphead sings this before winking. The violin switch is Cup and Mug closer to each other and giving both suspicious looks.

Part 7 - (OPEN)

Well friend I don't know what to say. Try starting with your resignation. Let's end this in the finale. I'm dying from anticipation!

Basically the boys sing-arguing.

Part 8 - (OPEN)

You're really great but let me state you definitely seem to hate the fact I'll break you, abdicate. Before I can asphyxiate, I,

(You've been outdone, now I really won, but it was fun, your end's begun and...)

Think I might be better than you! Don't hate me cause' its true!

(Now I know I'm better than you! And I'll prove it to you too!)

Cup and Mug singing at the same time as shown.

Part 9 - (OPEN)

So now I'm... better thaaaaaaaaaaaaaaaaaaaaaaaaaaaaa...

*(So watch as I identify, the skill to show I qualify, like keeping up this camp charade and
tricking kids to drink Kool-Aid to sacrifice them!! Oh wait-)*

Mugman sings before Cuphead and when he's done, he is no longer shown singing and it switches to Cuphead singing his part. When "sacrifice them" is said Cup takes out a soul contract and then after saying "oh wait" Mug has a surprised face. O.o
