SY 2024-2025 EEDW PROJECT SNAPSHOT

Student Opportunities—Tech Summit

Who's invited:

- Up to 10 "encouraged" students per school from ALL pathways
- Counselors and Chaperones as needed

When: November 14–15, 2024 (14th: full day, 15th: half day)

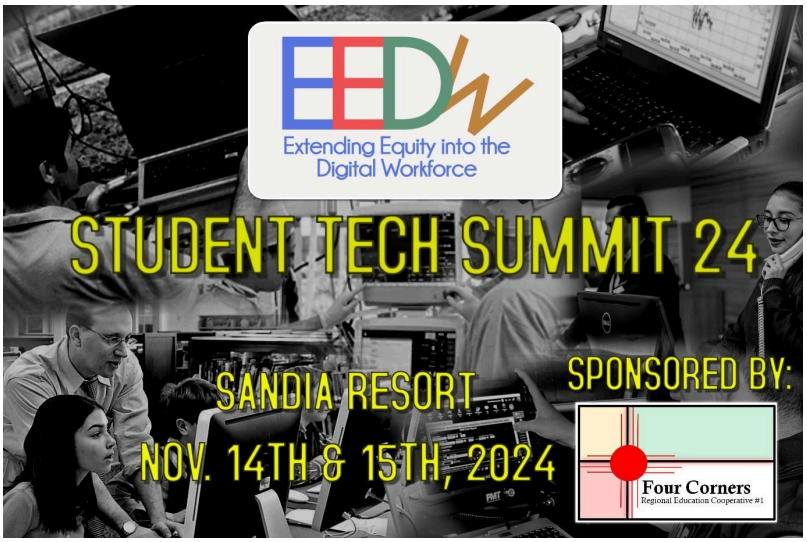

Where: Sandia Resort Conference Center

Cost: Conference fees, lunches, and meals provided

Contact: Eric Arpelar, ECHS/IHE Coordinator, earpelar@nmrec1.org

What it's about: The inaugural EEDW Student Ed Tech Summit will explore the role of technology across career fields, not just in IT. Sessions for students will focus on success in higher education post graduation, employer expectations, and strategies to succeed in the professional work force. Special sessions provided by ECHS students, higher ed., and industry partners.

Lots of hands-on experiences. (And something really neat for the evening!)
