

Oak Grove School Pre-k:

2 Pre-K classrooms are available for Brattleboro preschoolers turning 4-years-old on or before Sept. 1. Both programs are a full day, 5-day per week program following the school year calendar.

Oak Grove School Pre-K This classroom is a partnership between Early Education Services Head Start and Oak Grove School.

Brattleboro Early Childhood Center (BECC) located at Canal Street School.

Our program hours are 8:15am - 2:45pm. Our students enjoy the benefits of specialized instruction in Music, Library and Art classes provided by qualified licensed teachers.

Each of our Pre-K programs may offer other opportunities including: lessons from Brattleboro Environmental Education Center, art and music through the Brattleboro Museum and Art Center and River Gallery School, cooking and gardening lessons, visits from the Bookmobile. We offer multiple opportunities each day for outdoor play and exploring the community.

Our programs are designed with the understanding that play is essential for young children's learning and development. By intentionally structuring play through interactions with peers, objects, and community activities, educators can support key learning outcomes. Children are given the chance to play in environments that support their growth and interests that help children enhance their language and literacy skills, build social connections, and develop problem-solving abilities, curiosity, and creativity. We connect with each child in a way that respects their unique interests, abilities, cultures, and differences. Our curriculum includes regular assessments to track progress toward early learning goals. We value parental involvement and encourage parents to participate in conferences at least twice a year, working together to create a rich educational environment for every child. Together, we're building a warm and welcoming community where everyone feels safe, cared for, appreciated, and loved!
