“Dromiskin Goes Green!”

In Dromiskin where plants and flowers all grow,
We’re taking on climate - let’s give it a go!
We’ve got our orchard with apples so sweet,
Buzzing with bees - what a treat!

We walk or we cycle, we share every ride,
Less smoke in the air, more joy inside.
Turn off the lights when you leave the room,
Save some energy - banish the gloom!

Reusable cups for our coffee and chat,
No throwaway rubbish - imagine that!
We plant a new tree and water it too,
It gives us clean air - it’s the least we can do.

Recycling bins, green and brown,
Keep Dromiskin tidy, don’t let us down!
From waste to wonder, from small to grand,
We’re caring together for our lovely land.

So join in the fun, be part of the team,
A greener Dromiskin - our climate action dream!
