SAP Training Manual

PP Module

1 Creation of Bills of Material (BOM)

1.1 Purpose

To create Bills of Material required for production planning, production execution and MRP.

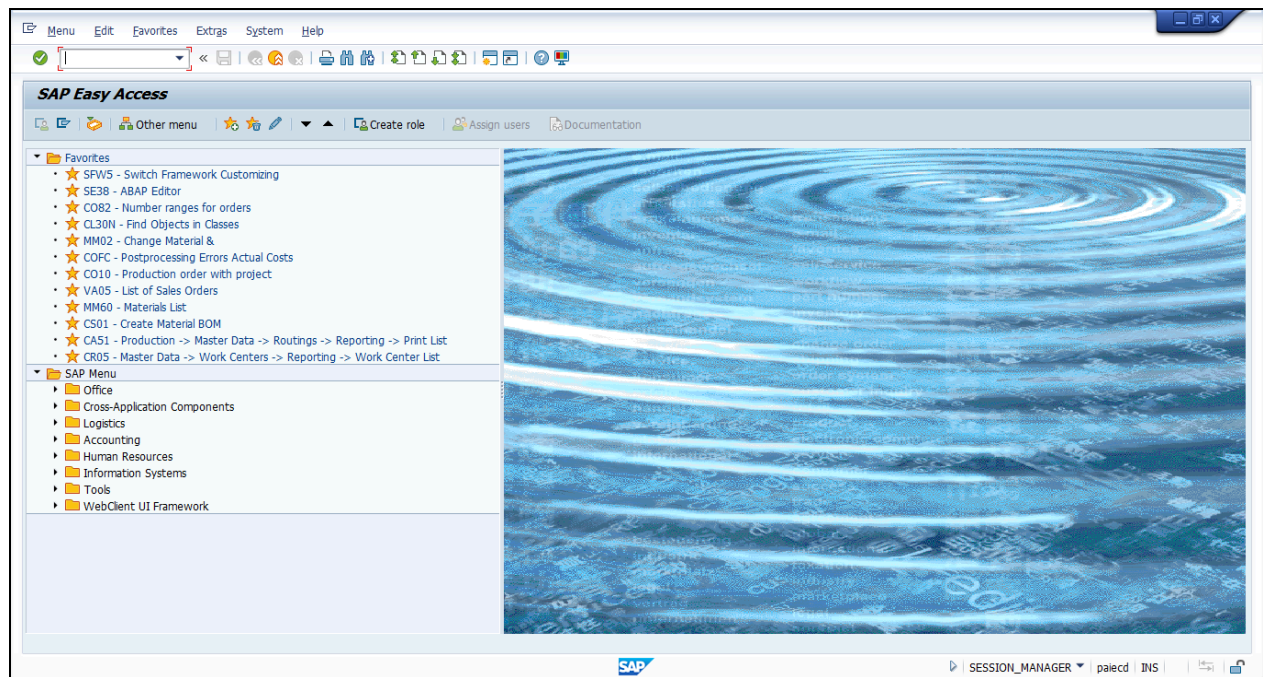

1.2 Prerequisites

Material Master for FG and components

1.3 Procedural steps

1. Start the transaction using the menu path or transaction code.

SAP Easy Access

2. Click Logistics tree item
3. Click Production tree item
4. Click Master Data tree item
5. Click Bills of Material tree item

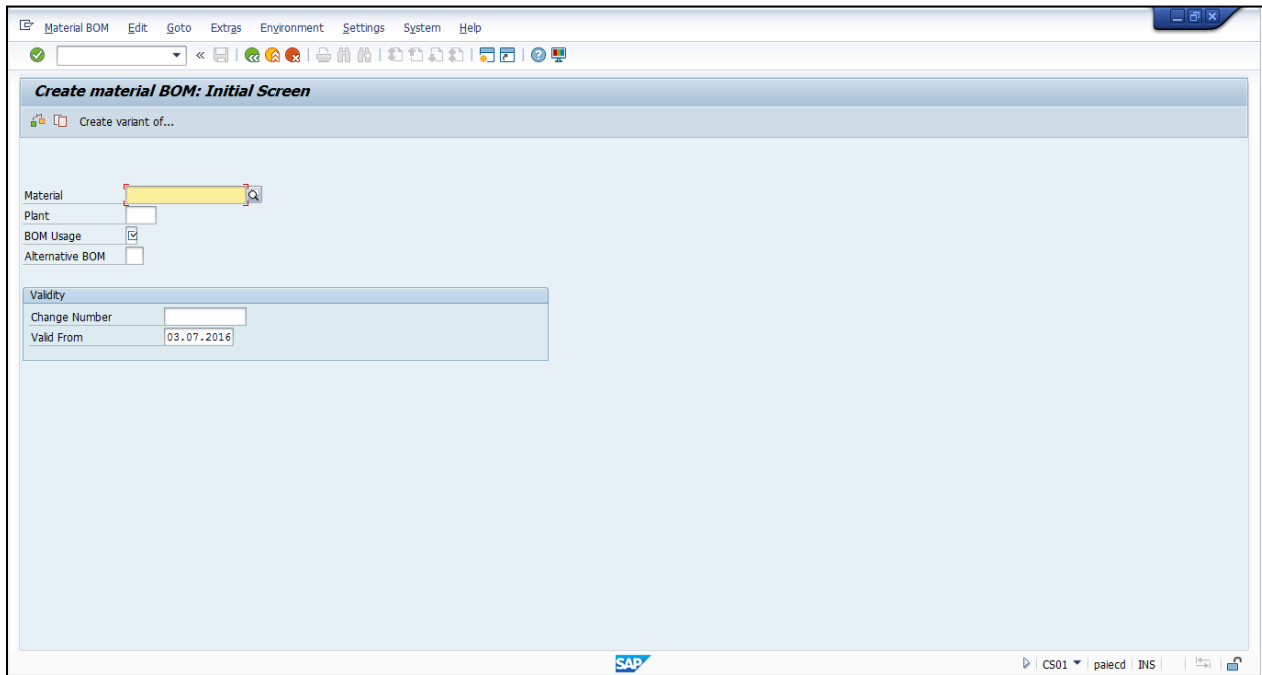

SAP Training Manual

PP Module

6. Click Bill of Material tree item  Bill of Material .
7. Click Material BOM tree item  Material BOM .
8. Double-click CS01 - Create tree item  CS01 - Create or Type Transaction Code: CS01

Create material BOM: Initial Screen

9. Click label  .
10. Click Plant Material by Description menu item
