

PREPARING FOR PLENARY SESSION 3

12 MAY 2026

Before our next online session (12 May), make a copy of this document and begin drafting a short overview of your potential VE or BIP project. This does not need to be a finished document. A working draft of 5-6 sentences is sufficient at this stage. Use the prompts below to guide your thinking. You will use this information in your breakout room discussion in our next online session.

My class is... / I am teaching a class of...

This class is suited to an online international project because...

I think I would prefer to run a VE or BIP because....

If I choose a BIP, I would prefer to host or not host the project because....

In this international collaborative project, students will collaborate together online to... [investigate / compare / create / propose...]

The main aim of this project is to develop students' knowledge/skills in... and to address SDG(s)...

The exchange will last approximately... weeks and will run from... until...

Students will collaborate using... [tools] and will interact... [how regularly / synchronously or asynchronously?]
