

Austin Community College (Master Syllabus)

COURSE NAME: Principles of Behavior Management and Modification

COURSE: PSYT 2345-**Synonym-Section**

CLASS DAY/TIME/ROOM: **(For Example):** M/W, 10:30AM – 11:50AM, ROOM 1327

CLASS FORMAT: **(For Example):** DIL, DLS

SEMESTER & YEAR: **(For Example):** SPRING 2023

Instructor Name:

Email:

Phone:

Office:

Office Hours/Appointments:

COURSE DESCRIPTION

A study of the theories and principles of behavior management, cognitive theories and techniques. Emphasis will be on their applications including managing self-behavior. In-depth study will be in operant conditioning techniques.

- Credit Hours: 3
- Classroom Contact Hours per week: 3
- Laboratory Contact Hours per week: 0

COURSE RATIONAL

This course will focus on the basic principles and procedures of behavior modification. It is designed to introduce the student to some of the theoretical aspects of the subject, but primarily to focus on “how-to” skills such as analyzing behavior, interpreting it in behavioral terms, writing behaviorally, and developing behavioral programs.

COURSE STRUCTURE

This course is taught online, via the Internet. Students must have basic computer skills and Internet access/skills. This is a synchronous class so there will be regular class meetings online using web conferencing software.

COURSE ACCESS

The course is accessed through the ACC distance learning web site at <https://acconline.austincc.edu/>. To access the course, you will need a user name and password. If you are taking this course through another college (Virtual College of Texas), your user name and password will be provided by VCT. **All students must complete an online orientation and the Online Orientation Quiz for the course before starting the assignments.** The orientation is located on the Blackboard course page in the Course Content under Online Orientation.

PREREQUISITES

PSYT 2339, Counseling Theories

STUDENT LEARNING OUTCOMES

The student will demonstrate knowledge of:

- terminology, philosophy and areas of application of the behavior modification approach;
- basic behavioral principles and procedures;
- behavioral assessment, objectives, program design and implementation, and evaluation.

REQUIRED TEXTS

Behavior Management: From Theoretical Implications to Practical Applications; 3rd ed. (2018), by Dr John Maag; Cengage Learning. Students will have an opportunity to purchase a digital text at a discounted price using First Day Access (FDP).

NOTE: This section offers First Day Program (FDP) course materials access. When you register, the cost of required course materials is added to your tuition and fees bill at a discounted rate from the ACC Bookstore. The digital text is a digital version of the physical textbook that may include additional educational resources that are uploaded to your Blackboard account for use on the first day of class. **IMPORTANT:** You may choose to opt out of this fee and receive a refund if you prefer to purchase the course materials separately. Opt-out requests must be received prior to the official reporting date for a full refund. For more information see austincc.edu/FDP

INSTRUCTIONAL METHODOLOGY

This is a synchronous class so there will be regular class meeting online using web conferencing software.

This course will include videos, discussion boards, and individual activities. The reading assignments are noted on the course outline and for full class participation, it is essential that you have the assignments completed before class.

DISTANCE EDUCATION (for online or hybrid courses only)

Students will use the Blackboard learning management system for assignment instructions, submitting assignments, and collaboration.

Please review the ACC Distance Education General Information available at <https://www.austincc.edu/academic-and-career-programs/acconline/frequently-asked-questions>

STUDENT TECHNOLOGY SUPPORT

Austin Community College provides free, secure drive-up WiFi to students and employees in the parking lots of all campus locations. WiFi can be accessed seven days a week, 7 am to 11 pm. Additional details are available at <https://www.austincc.edu/coronavirus/drive-up-wifi>

Students who do not have the necessary technology to complete their ACC courses can request to borrow devices from Student Technology Services. Available devices include iPads, webcams, headsets, calculators, etc. Students must be registered for a credit course, Adult Education, or Continuing Education course to be eligible. For more information, including how to request a device, visit <http://www.austincc.edu/sts>

Student Technology Services offers phone, live-chat, and email-based technical support for students and can provide support on topics such as password resets, accessing or using Blackboard, access to technology, etc. To view hours of operation and ways to request support, visit <http://www.austincc.edu/sts>

GRADING SYSTEM

Your grade will be based on an accumulation of points earned through the completion quizzes, discussion board postings, and submission of 3 projects. Lessons must be completed by the deadlines (see Course Outline for deadlines) to earn full points. **NOTE:** Assignments should be submitted through the Assignment button in Blackboard.

Completion of Quizzes

Each lesson has a quiz that is part of the lesson. There are 15 quizzes each worth 20 points. Total possible points for quizzes is **300** points. Quizzes must be completed by the deadline posted on the Course Outline. Late quizzes will be worth half the scored value (maximum of 10 points). It is essential that you accept responsibility for knowing which quizzes you completed late. The Blackboard system automatically grades quizzes and allows for full credit. If you submit a quiz past the deadline, it is your responsibility to know that the score is half the posted value. If you are ever concerned about your grades, it is incumbent upon you to contact me early in the semester. **All quizzes should be completed by Friday at Midnight.**

Total points possible: 550

A = 500 – 550

B = 450 – 499

C = 400 – 449

D = 350 – 399

F = 399 or Below

Discussion Boards

Students are required to participate in each lesson's discussion board during the semester. The topics for discussion boards vary depending on the lesson. Students are required to post their comments on the discussion topic, as well as to respond to comments posted by at least 2 other students. Discussion boards are designed like an online bulletin board or “chat room”, although they are only accessible to students in this class and can be accessed at any time. Each Discussion Board counts for up to 10 points. While you are welcome to continue posting comments past the deadline (you may have an interesting discussion going), only postings made by the deadline will be read by the instructor and counted for points. Guidelines for posts include:

- You are expected to actively participate in the discussion with postings submitted in a timely fashion while that discussion is in progress. Posting solely on the deadline and not during the lesson period will result in lost points.
- You are expected to post a minimum of 3 times in each lesson. One posting should be a substantive response to the discussion question (minimum of 50 words) and include **at least one academic citation to the readings or related articles using APA style of referencing (if you do not know how to do this, please visit the Library website or see a tutor in the Learning Lab)**, and two postings should be a substantive response to other classmates (minimum of 25 words). ***You then have until the lesson deadline (Friday, 12 pm, midnight) to respond to two other students' posts.*** Failing to use an academic citation will result in 1-3 lost points. Think of your initial post as a short essay – use proper grammar and be sure to cite your readings to support your answers.
- Your comments are expected to be substantive in nature and your initial post should make at least one academic citation of the assigned readings or professional literature as appropriate. Not including an academic citation results in between 1-3 lost points (depending on the quality of your post). When responding to other classmates' comments, it may not be as relevant to support your comments with references from your readings, especially if you are offering a personal opinion. What is important is that comments are more than “me too” or “I agree” or “Sounds like a good idea” – you must say something about what the person wrote and include your thoughts as it relates to the topic.
- Posts must be written with proper grammar, spelling and citations. Points are lost for poorly written posts. Do not use any color other than black font or background colors

when writing your posts and be sure your posts are in a normal text size. Do not write your posts as attachments and expect others to open the attachments to read them.

- If you expect to be away from a computer for a week or more, you should contact me.

Discussion Board Etiquette

- Never post, transmit, promote, or distribute information that is known to be illegal.
- Never post harassing, threatening, or embarrassing comments. If you disagree with someone, respond to the subject, not the person.
- Never post content that is harmful, abusive; racially ethnically, or religiously offensive, vulgar; sexually explicit; or otherwise potentially offensive.
- Do not use curse words in your posts and do not use all capital letters or color fonts other than black/white.
- Spell and grammar check your postings.
- Never share anything that you are concerned about becoming public knowledge. The College does not guarantee the confidentiality of information shared by participants in the course.
- The instructor reserves the right to remove any postings that are deemed inappropriate.
- Postings that are removed are not given any grade points.

Assignments

Assignment #1: Find one scholarly journal article (I recommend using the ACC library system) that discusses the use of self-management systems with the population with whom you are preparing or would like to work. Write a brief synopsis (1 page) of the article and submit it through the Assignment button. Worth 50 points. **Paper due February 18, 12:00pm.**

Assignment #2: Using the contract in Figure 9.4 in your textbook as a sample, write a contract for either yourself or a family member/friend that will last for a 2, or 3-day period. If you are doing a self-contract, have a family member/friend witness it for you. Turn this in through the assignment button. Worth 50 points. **Paper due March 25, 12:00pm.**

Assignment #3: Self-Modification Program (final project) - Design a program to bring about change in one of your behaviors. Implement your program and take data for at least one week if possible. Submit a paper of your findings. (Two to three typed double-spaced pages, font size 10 or 12.). Worth 50 points. **Paper due by May 15, 12:00pm. However, for this project to be carried out successfully, you should start it no later than April 29.**

ADDITIONAL EXPECTATIONS

Any additional information will be discussed in class.

COURSE OUTLINE/CALENDAR

Please note that schedule changes may occur during the semester. Any changes will be announced in class and posted as a Blackboard Announcement (or other resource faculty is using to communicate).

See Instructor's additional information, or handouts.

Course Outline – PSYT 2345		
Day	Date	Topic
W	1/19	Discuss Syllabus and course expectations

M / W	1/24 & 1/26	Chapter 1, Introduction to Behavior Mgt.
M / W	1/31 & 2/2	Chapter 2, Impediments to Managing Behavior
M / W	2/7 & 2/9	Chapter 3, Theories of Behavior
M / W	2/14 & 2/16	Chapter 4, Basic Principles of Behavior
Paper Due: Feb 18th, 12:00PM		Assignment #1
M / W	2/21 & 2/23	Chapter 5, Counting and Recording Behavior
M / W	2/28 & 3/2	Chapter 6, Graphing Behavior
M / W	3/7 & 3/9	Chapter 7, Functional Behavior Assessment
M / W	3/14 & 3/16	SPRING BREAK - NO CLASS
M / W	3/21 & 3/23	Chapter 8, Preventive Approaches
Paper Due: Mar 25th, 12:00PM		Assignment #2
M / W	3/28 & 3/30	Chapter 9, Reinforcement Techniques for Increasing Behavior
M / W	4/4 & 4/6	Chapter 10, Differential Reinforcement for Decreasing Behavior
M / W	4/11 & 4/13	Chapter 11, Punishment
M / W	4/18 & 4/20	Chapter 12, Teaching Self Management
M / W	4/25 & 4/27	Chapter 13, Cognitive Behavior Modification
M / W	5/2 & 5/4	Chapter 14, Promoting Generalization
M	5/9	Work on Self-Modification Program
W	5/11	Complete Self-Modification Program
Paper Due: May 15th, 12:00PM		Assignment #3 (You should start this project no later than April 29th).

COURSE POLICIES

Students are responsible for knowing the ACC policies and procedures that are in the Student Handbook, available in the Counseling Office at any campus or online at <http://www.austincc.edu/handbook/>.

Attendance/Class Participation

Regular and punctual class attendance is expected of all students. If attendance or compliance with other course policies is unsatisfactory, the instructor may withdraw students from the class.

For online courses: Regular and timely class participation in discussions and completion of work is expected of all students. If attendance or compliance with other course policies is unsatisfactory, the instructor may withdraw students from the class.

Situations where classes are cancelled because of weather, pandemic, or other emergencies:
In the event the college or campus closes due to unforeseen circumstances, the student is

responsible for communicating with their professor during the closure and completing any assignments or other activities designated by their professor as a result of missed class sessions.

Withdrawal Policy

The College defines withdrawals as occurring after the official reporting date of the semester, typically the 12th class day. In addition, the Legislature has mandated the Rule of Six (see below). There may also be financial aid issues.

It is the responsibility of each student to ensure that his or her name is removed from the roll should they decide to withdraw from the class. The instructor does, however, reserve the right to drop a student should he or she feel it is necessary. If a student decides to withdraw, he or she should also verify that the withdrawal is recorded before the Final Withdrawal Date. **The Final Withdrawal Date for this semester is [insert date here].** The student is also strongly encouraged to keep any paperwork in case a problem arises.

Students are responsible for understanding the impact that withdrawal from a course may have on their financial aid, veterans' benefits, and international student status. Per state law, students enrolling for the first time in Fall 2007 or later at any public Texas college or university may not withdraw (receive a "W") from more than six courses during their undergraduate college education. Some exemptions for good cause could allow a student to withdraw from a course without having it count toward this limit. Students are strongly encouraged to meet with an advisor when making decisions about course selection, course loads, and course withdrawals.

NOTE: It should be understood it is the student's responsibility and not the instructors to drop a course. A student that discontinues coming to class and fails to drop a course is subject to receiving a final, permanent grade of "F".

MISSED EXAM AND LATE WORK POLICIES

Quizzes, Discussion Boards, and Research/Writing assignment(s) submitted late will be worth half their value shown on Blackboard.

Incompletes

An incomplete (grade of "I") will only be given for extenuating circumstances. What constitutes "extenuating circumstances" is left to the instructor's discretion. If a grade of "I" is given, the remaining course work must be completed by a date set by the student and professor. This date may not be later than two weeks prior to the end of the following semester. A grade of "I" also requires completion and submission of the Incomplete Grade form, to be signed by the faculty member (and student if possible) and submitted to the department chair.

Students may request an Incomplete from their faculty member if they believe circumstances warrant. The faculty member will determine whether the Incomplete is appropriate to award or not. The following processes must be followed when awarding a student an "I" grade.

1. Prior to the end of the semester in which the "I" is to be awarded, the student must meet with the instructor to determine the assignments and exams that must be completed prior to the deadline date. This meeting can occur virtually or in person. The instructor should complete the Report of Incomplete Grade form.

2. The faculty member will complete the form, including all requirements to complete the course and the due date, sign (by typing in name) and then email it to the student. The student will then

complete his/her section, sign (by typing in name), and return the completed form to the faculty member to complete the agreement. A copy of the fully completed form can then be emailed by the faculty member to the student and the department chair for each grade of Incomplete that the faculty member submits at the end of the semester.

3. The student must complete all remaining work by the date specified on the form above. This date is determined by the instructor in collaboration with the student, but it may not be later than the final withdrawal deadline in the subsequent long semester.

4. Students will retain access to the course Blackboard page through the subsequent semester in order to submit work and complete the course. Students will be able to log on to Blackboard and have access to the course section materials, assignments, and grades from the course and semester in which the Incomplete was awarded.

5. When the student completes the required work by the Incomplete deadline, the instructor will submit an electronic Grade Change Form to change the student's performance grade from an "I" to the earned grade of A, B, C, D, or F.

If an Incomplete is not resolved by the deadline, the grade automatically converts to an "F." Approval to carry an Incomplete for longer than the following semester or session deadline is not frequently granted.

COLLEGE POLICIES

Health & Safety Protocols

Operational areas of ACC campuses and centers are fully open and accessible through all public entrances. The college encourages its staff, faculty, and students to be mindful of the well-being of all individuals on campus. If you feel sick, feverish, or unwell, please do not come to campus.

Some important things to remember:

- If you have not done so, ACC encourages all students, faculty, and staff to get vaccinated. COVID-19 vaccines are now widely available throughout the community. Visit www.vaccines.gov to find a vaccine location near you.
- Campuses will remain open to faculty, staff, and students with additional protocols. Beginning Monday, January 10, ACC will reinstitute health screenings at the door using the [Appian Health Screening App](#). Each building will have at least one entrance staffed with screening personnel. Health screenings are required for all who come to campus. If you're exhibiting symptoms of COVID-19 or have tested positive, the app will provide you information about steps you can take to report your illness.
- If you are experiencing COVID-19-related symptoms, please get a COVID-19 test as soon as possible before returning to an ACC facility. Testing is now widely available. To find [testing locations near you, click this link](#).
- If you test positive, please report it on the [ACC self-reporting tool located here](#).
- On Friday, August 13, 2021, the ACC Board of Trustees unanimously approved a face mask mandate at ACC. Effective August 20, 2021, anyone who is 2 years of age or older will be required to wear a face mask in all ACC buildings.
- The college asks that we all continue to respect the personal space of others. We are encouraging 3 feet of social distancing.
- Please be sure to carry your student, faculty, or staff ID badge at all times while on campus.

Because of the everchanging situation, please go to ACC's COVID website at <https://www.austincc.edu/coronavirus?ref=audiencemenu> for the latest updates and guidance.

Statement on Academic Integrity

Austin Community College values academic integrity in the educational process. Acts of academic dishonesty/misconduct undermine the learning process, present a disadvantage to students who earn credit honestly, and subvert the academic mission of the institution. The potential consequences of fraudulent credentials raise additional concerns for individuals and communities beyond campus who rely on institutions of higher learning to certify students' academic achievements and expect to benefit from the claimed knowledge and skills of their graduates. Students must follow all instructions given by faculty or designated college representatives when taking examinations, placement assessments, tests, quizzes, and evaluations. Actions constituting scholastic dishonesty include, but are not limited to, plagiarism, cheating, fabrication, collusion, falsifying documents, or the inappropriate use of the college's information technology resources. Further information is available at <https://www.austincc.edu/about-acc/academic-integrity-and-disciplinary-process>

Student Rights & Responsibilities

Students at ACC have the same rights and protections under the Constitution of the United States. These rights include freedom of speech, peaceful assembly, petition and association. As members of the community, students have the right to express their own views, but must also take responsibility for according the same rights to others and not interfere or disrupt the learning environment. Students are entitled to fair treatment, are expected to act consistently with the values of the college, and obey local, state and federal laws. www.austincc.edu/srr

As a student of Austin Community College, you are expected to abide by the Student Standards of Conduct.

<https://www.austincc.edu/students/students-rights-and-responsibilities/student-conduct>

Senate Bill 212 and Title IX Reporting Requirements

Under Senate Bill 212 (SB 212), the faculty and all College employees are required to report any information concerning incidents of **sexual harassment, sexual assault, dating violence, and stalking** committed by or against an ACC student or employee. Federal Title IX law and College policy also require reporting incidents of **sex- and gender-based discrimination and sexual misconduct. This means faculty and non-clinical counseling staff cannot keep confidential information about any such incidents that you share with them.**

If you would like to talk with someone confidentiality, please contact the District Clinical Counseling Team who can connect you with a clinical counselor on any ACC campus: (512) 223-2616, or to schedule online: <https://www.austincc.edu/students/mental-health-counseling>.

While students are not required to report, they are encouraged to contact the Compliance Office for resources and options: Charlene Buckley, District Title IX Officer, (512) 223-7964; compliance@austincc.edu.

If a student makes a report to a faculty member, the faculty member will contact the District Title IX Officer for follow-up.

Student Complaints

A defined process applies to complaints about an instructor or other college employee. You are

encouraged to discuss concerns and complaints with college personnel and should expect a timely and appropriate response. When possible, students should first address their concerns through informal conferences with those immediately involved; formal due process is available when informal resolution cannot be achieved.

Student complaints may include (but are not limited to) issues regarding classroom instruction, college services and offices on the basis of actual or perceived race, color, national origin, religion, age, gender, gender identity, sexual orientation, political affiliation, or disability.

Further information about the complaints process, including the form used to submit complaints, is available at:

<https://www.austincc.edu/students/students-rights-and-responsibilities/student-complaints>

Statement on Privacy

The Family Educational Rights and Privacy Act (FERPA) protects confidentiality of students' educational records. Grades cannot be provided by faculty over the phone, by email, or to a fellow student.

Recording Policy

To ensure compliance with the Family Education Rights and Privacy Act (FERPA), student recording of class lectures or other activities is generally prohibited without the explicit written permission of the instructor and notification of other students enrolled in the class section. Exceptions are made for approved accommodations under the Americans with Disabilities Act.

Recording of lectures and other class activities may be made by faculty to facilitate instruction, especially for classes taught remotely through Blackboard Collaborate or another platform. Participation in such activities implies consent for the student to be recorded during the instructional activity. Such recordings are intended for educational and academic purposes only.

Safety Statement

Health and safety are of paramount importance in classrooms, laboratories, and field activities. Students are expected to learn and comply with ACC environmental, health and safety procedures and agree to follow ACC safety policies. Emergency Procedures posters and Campus Safety Plans are posted in each classroom and should be reviewed at the beginning of each semester. All incidents (injuries/illness/fire/property damage/near miss) should be immediately reported to the course instructor. Additional information about safety procedures and how to sign up to be notified in case of an emergency can be found at:

<http://www.austincc.edu/emergency>

Everyone is expected to conduct themselves professionally with respect and courtesy to all. Anyone who thoughtlessly or intentionally jeopardizes the health or safety of another individual may be immediately dismissed from the day's activity and will be referred to the Dean of Student Services for disciplinary action.

In the event of disruption of normal classroom activities due to an emergency situation or a continuing illness outbreak, the format for this course may be modified to enable completion of the course. In that event, students will be provided an addendum to the class syllabus that will supersede the original version.

Campus Carry

The Austin Community College District concealed handgun policy ensures compliance with Section 411.2031 of the Texas Government Code (also known as the Campus Carry Law), while maintaining ACC's commitment to provide a safe environment for its students, faculty, staff, and visitors. Beginning August 1, 2017, individuals who are licensed to carry (LTC) may do so on campus premises except in locations and at activities prohibited by state or federal law, or the college's concealed handgun policy.

It is the responsibility of license holders to conceal their handguns at all times. Persons who see a handgun on campus are asked to contact the ACC Police Department by dialing 512-223-1231. Please refer to the concealed handgun policy online at <http://austincc.edu/campuscarry>

Discrimination Prohibited

The College seeks to maintain an educational environment free from any form of discrimination or harassment including but not limited to discrimination or harassment on the basis of race, color, national origin, religion, age, sex, gender, sexual orientation, gender identity, or disability.

Faculty at the College are required to report concerns regarding sexual misconduct (including all forms of sexual harassment and sex and gender-based discrimination) to the Manager of Title IX/Title VI/ADA Compliance. Licensed clinical counselors are available across the District and serve as confidential resources for students.

Additional information about Title VI, Title IX, and ADA compliance can be found in the ACC Equal Opportunity Resource Guide available at:

https://drive.google.com/file/d/1xfmZHOPD_H1wgGKq1N7Irv6gyXxOXzbZ/view

Use of ACC email

All College e-mail communication to students will be sent solely to the student's ACCmail account, with the expectation that such communications will be read in a timely fashion. ACC will send important information and will notify students of any college-related emergencies using this account. Students should only expect to receive email communication from their instructor using this account. Likewise, students should use their ACCmail account when communicating with instructors and staff. Information about ACC email accounts, including instructions for accessing it, are available at: <http://www.austincc.edu/help/accmail/questions-and-answers>

Use of the Testing Center

The Testing Centers will allow only limited in person testing and testing time will be limited to the standard class time, typically one and one-half hours. Specifically, only the following will be allowed in the Testing Centers:

- Student Accessibility Services (SAS) Testing: All approved SAS testing
- Assessments Tests: Institutionally approved assessment tests (e.g., TSIA or TABE)
- Placement Tests: Placement tests (e.g., ALEKS)
- Make-Up Exams (for students who missed the original test): Make-up testing is available for all lecture courses but will be limited to no more than 25% of students enrolled in each section for each of four tests
- Programs incorporating industry certification exams: Such programs (e.g., Microsoft, Adobe, etc.) may utilize the ACC Business Assessment Center for the industry certification exams (BACT) at HLC or RRC

STUDENT SUPPORT SERVICES

The success of our students is paramount, and ACC offers a variety of support services to help, as well as providing numerous opportunities for community engagement and personal growth.

Student Support

ACC strives to provide exemplary support to its students and offers a broad variety of opportunities and services. Information on these campus services and resources is available at <http://www.austincc.edu/students>. A comprehensive array of student support services is available online at: <https://www.austincc.edu/coronavirus/remote-student-support>

Student Accessibility Services

Austin Community College (ACC) is committed to providing a supportive, accessible, and inclusive learning environment for all students. Each campus offers support services for students with documented disabilities. Students with disabilities who need classroom, academic or other accommodations must request them through Student Accessibility Services (SAS).

Students are encouraged to request accommodations when they register for courses or at least three weeks before the start of each semester they are enrolled, otherwise the provision of accommodations may be delayed. Students who have received approval for accommodations from SAS for this course must provide the instructor with the legal document titled "Notice of Approved Accommodations (NAA)" from SAS.

Until the instructor receives the NAA from the student accommodations should not be provided. Once the NAA is received, accommodations must be provided. Accommodations are not retroactive, so it is in the student's best interest to deliver the NAA on the first day of class.

Please contact SAS@austincc.edu for more information.

Academic Support

ACC offers academic support services on all of its campuses. These services, which include online tutoring, academic coaching, and supplemental instruction, are free to enrolled ACC students. Tutors are available in a variety of subjects ranging from accounting to pharmacology. Students may receive these services on both a drop-in and referral basis.

[An online tutor request can be made here:
https://de.austincc.edu/bbsupport/online-tutoring-request/](https://de.austincc.edu/bbsupport/online-tutoring-request/)

[Additional tutoring information can be found here:
austincc.edu/onlinetutoring](https://austincc.edu/onlinetutoring)

Library Services

ACC Library Services offers both in-person and extensive online services, with research and assignment assistance available in-person during limited hours of service. Although all college services are subject to change, plans include ACC students signing up for study space and use of computers at open libraries, extensive online instruction in classes, online reference assistance 24/7 and reference with ACC faculty librarians. In addition, currently enrolled students, faculty and staff can access Library Services online (also 24/7) via the ACC Library website and by using their ACCeID to access all online materials (ebooks, articles from library databases, and streaming videos). ACC Libraries offer these services in numerous ways such as: "Get Help from a Faculty Librarian: the 24/7 Ask a Librarian chat service," an online form for in-depth research Q and A sessions, one-on-one video appointments, email, and phone (voicemail is monitored regularly).

- Library Website: <http://library.austincc.edu>
- Library Information & Services during COVID-19: <https://researchguides.austincc.edu/LSinfoCOVID19>
- Ask a Librarian 24/7 chat and form: <https://library.austincc.edu/help/ask.php>
- Library Hours of Operation by Location: <https://library.austincc.edu/loc/>
- Email: library@austincc.edu

Student Organizations

ACC has over seventy student organizations, offering a variety of cultural, academic, vocational, and social opportunities. They provide a chance to meet with other students who have the same interests, engage in service-learning, participate in intramural sports, gain valuable field experience related to career goals, and much else. Student Life coordinates many of these activities, and additional information is available at <http://sites.austincc.edu/sl/>.

Personal Support

Resources to support students are available at every campus. To learn more, ask your professor or visit the campus Support Center. All resources and services are free and confidential. Some examples include, among others:

- Food resources including community pantries and bank drives can be found here: <https://www.centraltexasfoodbank.org/food-assistance/get-food-now>
- Assistance with childcare or utility bills is available at any campus Support Center: <http://www.austincc.edu/students/support-center>
- The Student Emergency Fund can help with unexpected expenses that may cause you to withdraw from one or more classes: <http://www.austincc.edu/SEF>
- Help with budgeting for college and family life is available through the Student Money Management Office: <http://sites.austincc.edu/money/>
- A full listing of services for student parents is available at: <https://www.austincc.edu/students/child-care>
- The CARES Act Student Aid will help eligible students pay expenses related to COVID-19: <https://www.austincc.edu/coronavirus/cares-act-student-aid>

Mental health counseling services are available throughout the ACC Student Services District to address personal and or mental health concerns: <http://www.austincc.edu/students/counseling>

If you are struggling with a mental health or personal crisis, call one of the following numbers to connect with resources for help. However, if you are afraid that you might hurt yourself or someone else, call 911 immediately.

Free Crisis Hotline Numbers:

- Austin / Travis County 24-hour Crisis & Suicide hotline: **512-472-HELP (4357)**
- The Williamson County 24-hour Crisis hotline: **1-800-841-1255**
- Bastrop County Family Crisis Center hotline: **1-888-311-7755**
- Hays County 24 Hour Crisis Hotline: **1-877-466-0660**
- National Suicide Prevention Lifeline: **1-800-273-TALK (8255)**
- Crisis Text Line: **Text “home” to 741741**
- Substance Abuse and Mental Health Services Administration (SAMHSA) National Helpline: **1-800-662-HELP (4357)**
- National Alliance on Mental Illness (NAMI) Helpline: **1-800-950-NAMI (6264)**
