Share

First...	**Then** complete these activities.
Take your book to a partner.	--First sit with a partner and take turns reading your book on **Flipgrid**. --Then have your partner tell you one celebration on a new **Flipgrid**. --Next have your partner tell you one fix it also on a new **Flipgrid**. --Watch your partner's videos. --Go back to your book and make any fixes you need before moving on.

Reflect and Extend

You have learned a lot about **goods** and **services**. Now it is time for you to be a community helper. You can use your book and any above videos to help you or come up with your own idea of a community helper. Choose a tool to help explain what **service** YOU would like to provide for your town. Also, what **goods** would YOU need to do your job? Be creative and be ready to share it with the class.
