## Objective

To apply my (25+ years of) web development, video, and animation with my unwavering drive to learn new technologies in a new challenging, creative, and rewarding environment.

## Knowledge

**Dev** CSS3/HTML5 (flex/grid/DOM), GIT, JS/JQuery/JSON, Node/Nginx, PHP, Python, and VS Code.

**Web** AWS/S3/EC2, Cloudflare, Shopify, WordPress (ACF/CLI), SQL/Post, and AJAX/REST/APIs

**UX** Adobe CC: After Effects, Animate, Illustrator, Lightroom, Encoder, Photoshop, and Premiere.

**A/V** Ableton/Mixxx/Serato, Blender/C4D/Octane, OBS/NDI/OSC, Resolume, and Touchdesigner.

**OS** Win/Mac/Linux, CLI/Bash/Powershell, Docker/Compose, Portainer, and Proxmox (VM/LXC).

**HW** ATEM/BlackMagic, DataPath, HomeAssistant, OPN/Pfsense, OpenWeb/Ollama, and TrueNAS.

## Experience

### **2020-2025            Great Life Publishing / 12Tomatoes, Senior Tech Lead Web Developer**

- Manage and deploy multiple sites, domains, and hosting with AWS, Cloudflare, and WPE.
- Strategize UX focusing on user created content and web fluency via human centered design.
- Develop custom themes and plugins with bespoke admin/user pages for increased usability.
- Extended projects with open source ideas/frameworks for [12Tomatoes](#) and [TableFor12](#).

### **2013-2020            Freelance, Senior Tech Lead Web Developer**

- Designed and developed Wordpress/Shopify themes for [Houston Zoo](#) and [Winston White](#).
- Lead all development duties, updates, documentation, training, support, and handoff.

### **2013-2017            Q Nightclub, Senior Tech Lead Video Engineer / VJ**

- Animated 3D logos, prepared themed visual packages, and created immersive digital spaces.
- Setup and deploy multiple automated video installations in Seattle. [~200+ live shows/year](#)

### **2010-2013            Tether, Senior Lead Full-Stack Developer**

- Worked with designers to convert legacy and create new sites focused on mobile/responsive.
- Lead all web development duties, including legacy conversions, training, and support.

### **2006-2010            Microsoft Advertising / Atlas, Senior Rich Media Engineer**

- Expert knowledge of live, video streaming, encoding, and analytics for Flash video ads.
- Provided Actionscript training, consultation, and Flash support to all Atlas creative agencies.
