

Reading Resources/Recursos para Leer

Start where you are. The practice of reading will only be useful if you can find a book you'll stick with—meaning it's at your reading level and the subject matter interests you. This list contains a ton of resources for accessing books from the most basic level to more nuanced literature.

1. [Maguaré](#) is a site sponsored by the Colombian Ministry of Culture. Access over 100 picture books, poems, and tongue twisters, some of which are set to music or include audio.
2. [Read Conmigo](#) provides over 45 free bilingual titles for all levels of elementary learners. The books can be downloaded onto your phone, computer, or tablet one by one or via the Read Conmigo app.
3. [Children's Books Forever](#) offers a small collection of free online books in a variety of languages.
4. [Grimm Stories](#) features dozens of classic fairy tales in Spanish, from the Brothers Grimm and Hans Christian Anderson. They can be read online or downloaded as a PDF for easy printing.
5. [Fables in Spanish](#) is a site where famous fables are retold in language suitable for beginners.
6. [El Huevo de Chocolate](#) is a comprehensive site with all sorts of Spanish books, guessing games, fables, folktales, and more. The books and stories on offer here mostly come from classic works in Spanish.
7. [The Spanish Experiment](#) provides well-known children's stories translated into Spanish and spoken by a native Spanish speaker. Great for learners of all ages.
8. [Spanish Uno](#) offers books for both beginners and advanced learners, as well as jokes, sayings, slang and more.
9. [Loyal Books](#) is a directory of free public domain audiobooks and ebook downloads in a wide array of genres and languages.
10. [Free Spanish E-books](#) is a Spanish language site with a large selection of Spanish language books.
11. [Project Gutenberg](#) contains almost 50,000 free ebooks to download, hundreds of which are in Spanish. Although the site's interface is a bit antiquated, there are loads of great reads waiting to be found here!
12. [Many Books](#) features approximately 33,000 free ebooks and a bevy of languages to choose from.

13. **Kindle Books:** Did you know that the Amazon Kindle Store has a free e-book section? Simply visit the Spanish version of the website to find a treasure trove of free e-books in Spanish.
