

Name: _____

Homesteading Project Budget Worksheet

Instructions:

Use this worksheet to create a budget for your homesteading project. Fill in the blanks with the estimated costs for each item. Make sure to include all the expenses mentioned in the project instructions, such as the cost of the property, garden materials, animal feed, and other necessary resources. Keep track of your budget and adjust it accordingly to stay within your \$750,000 budget.

Property

Estimated cost of the property: _____
