Statement of Originality and Authorization for Article Copyright Use

Date: _____

Editorial Board
Revista Educación
of the University of Costa Rica

I, _____, a national of _____, Passport/ID No.°_____, in my capacity as the author, hereby state that the following:

( ) scientific article based on research
( ) scientific article based on social or didactic experience
( ) literature review
( ) test

With the following title:

_____
_____,

submitted herein, is my own original work – and completely different from any other article on the same subject - is unpublished – and has never been published in any other journal, written or electronic media and has never been submitted for purposes of arbitration in any other printed or digital journal. Likewise, I hereby state that the source of all textual quotations, paraphrases, tables and figures are duly identified within the text. Regarding the use of Artificial Intelligence (AI), I hereby state that:

( ) AI was used in the manuscript *(State AI model, version and date used*).
( ) AI was not used in the manuscript.

In the event that the submitted article is accepted for publication, I authorize the assignment of copyrights for publication, adaptation and reproduction of the work in reading, sound, voice and any other available technical representation or mechanism that allows access to all people through electronic media and internet, free of charge, exclusively and for an indefinite period of time.

I accept the rules of the Journal regarding procedure, format, graphic edition and other requirements indicated in the *Guidelines for the submission of articles to Revista Educación*.
