

Limitless Horizons Ixil High School Campaign Giving Opportunities

Thank you for your interest in Limitless Horizons Ixil's high school campaign. **This is an extraordinary opportunity to make a tangible difference in the lives of youth and families in Chajul, Guatemala.** Your investment will catalyze impact for generations to come. **Girls' education is one of the best investments we can make in creating a better world** (ask us for the research!)

We are seeking funding at this time for our high school construction, which will house our first class of high schoolers in 2025. Please join our campaign at a level significant for you. For some of you, that may be a \$100 online donation. For others, it may be a \$50,000 gift of appreciated stock. **We love and appreciate donors at all levels, and we need both larger and smaller gifts as we grow our village of support and expand our impact in Guatemala.**

Examples of What Your Gift Can Fund

\$200 covers a week's salary for our Chajulense construction foreman.

\$500 covers a classroom library.

\$700 covers gutters for the school in a community where it rains 14 months of the year!

\$2,000 covers each of our teachers' full year of intensive training and capacity building in 2024.

\$5,000 covers the cost of equipment and furniture for a high school classroom.

\$10,000 covers windows so students and teachers have ventilation and natural light.

\$15,000 covers the school's electricity installation (parts and labor).

Special Giving Opportunities

If you are fortunate to have financial resources, and you wish to join our campaign at a level of \$10,000 or more, you may be interested in these special giving opportunities.

Empowerment Circle

Individuals who give \$10,000 or more to the campaign are invited to join our Empowerment Circle.

Empowerment Circle members are invited to participate in special Zoom meetings with our Executive Director, Katie Morrow, Director of Development and Communications, Erin Treinen, and members of the

Board of Director. You will also be the first to know of our bigger updates and we invite you to provide insights to support the leadership team.

Donor Recognition & Dedication Opportunities

For each of these gift levels, a donor may choose to be recognized with a dedication for any option listed at that level or at any of the below levels. **Groups of donors may choose to combine gifts as a joint dedication.** Please reach out to discuss any interest in this opportunity and ensure availability with our team at erin@limitlesshorizonsixil.org.

A few ideas for making your dedication meaningful (we are happy to discuss any other ideas too!):

- Dedication of a classroom in honor or memory of a loved one.
- Plaque outside an office dedicating it to someone's work (e.g. "this is dedicated to the work of Rigoberta Menchu, indigenous human and women's rights activist" or "this is dedicated in honor of [name]'s tireless work to support Chajul and Limitless Horizons Ixil").

Giving Opportunities

\$50,000:

- **Classrooms** (4 available*) where generations of youth for years to come will receive high quality education that will empower them to become leaders driving positive change in their community.
- **Teacher's room** where our staff can come together to plan, collaborate, relax, and refuel between classes.
- **Multipurpose room** which will be a community space for events and activities. A valuable space for learning and engaging particularly due to the rainy nature of the Ixil region.

\$20,000:

- **Science Laboratory Storage** (1 available*), where science equipment will be safely stored in secure cabinets

\$15,000:

- **Covered long open-air hallways** (1 available*), where youth will congregate and get fresh air between classes. During passing time, friendships will be built, chess games will be played, math problems will be discussed, and informal peer support networks will be woven as students share personal challenges and support each other to learn and grow.

\$10,000:

- **Staff restrooms** (2 available*) where teachers can have privacy and the existing student bathrooms will gain more stalls.

**Availability as of May 2024; subject to change.*
