Abstract [Italiced, Bold, Times New Roman 11]
*Written in English, containing the key issues, research objectives, methods/approach, and research results, in a single paragraph, **not exceeding 200 words**. (Times New Roman 11, single spacing, **italicized**).*

Keywords: *A maximum of 5 keywords separated by commas. [Font Times New Roman 11, single spacing, italicized]*

1. INTRODUCTION [Times New Roman 11 Bold]

The introduction includes the background of the issue or problem, as well as the urgency and rationalization of the research activities. The objectives and problem-solving plans are presented in this section. Relevant literature reviews and hypothesis development (if any) are also included in this section. [Times New Roman, 11, normal, single spacing].

2. RESEARCH METHODS

The research methods section explains the activity design, scope or object, primary materials and tools, location, data collection techniques, operational definitions of research variables, and analysis techniques. [Times New Roman, 11, normal, single spacing].

2.1 Subheadings

If there are subheadings, use numbering aligned with the main headings.

2.2 Figures and Tables

Assign numbering to tables/figures based on their sequence in the journal, **not by subsection**. Provide relevant captions, with font size 10 in Times New Roman. Titles of tables should be positioned at the top, while figures should be placed at the bottom.

Table 1. Groceries Pricelist

No.	Nama	Harga
1.	Beras Merah	Rp.2.000
2.	Tahu Cibuntu	Rp.3.000
3.	Daging Ayam Kampung	Rp.40.000

If there are images, assign the same numbering and position them at the bottom.

3. RESULTS AND DISCUSSION
This section presents the research results. The results may be supplemented with tables, graphs (figures), and/or charts. The discussion section explains data processing results, interprets findings logically, and connects them to relevant references. [Times New Roman, 11, normal].

4. CONCLUSIONS AND RECOMMENDATIONS
The conclusions summarize the research findings and discussions.
If there are recommendations, they should focus on addressing the research gaps and future studies. Avoid recommendations outside the scope of further research. [Times New Roman, 11, normal].

5. REFERENCES
Authors are advised to use reference management software (e.g., Mendeley, Zotero, EndNote, etc.). **The reference list should include only those cited in the manuscript and be arranged based on their order of appearance, not alphabetically. Follow the referencing system of Google Scholar.** [Times New Roman, 11, normal, single spacing].

Example of References
Azizah, N. (2017). Audit Sistem Informasi Menggunakan Framework COBIT 4.1 Pada E-Learning UNISNU Jepara. *Simetris: Jurnal Teknik Mesin, Elektro dan Ilmu Komputer*, *8*(1), 377-382.
Example of References used in article
Therefore, an information system is needed to conduct an audit within a company (Azizah, 2017).

OTHER REQUIREMENTS:
1. Maximum article length must **not exceed 12 pages**.
2. **A maximum of 7 tables** and/or figures are allowed.
3. References must be from the last five years, including at least one journal reference.
4. For tables spanning multiple pages, use the "**Repeat Header**" feature.
