

Cinnaminson High School Project Graduation Meeting Minutes
Date: 10/21/25

Called to Order at 7:24 PM

Old Business

Social media updates

- Our communications coordinator Cathy has been working with the districts data systems coordinator Kate to get everything finalized with the website and Parent Square.
- Starting more post on Parent Square for the Project Graduation group.
- Email was sent to Kate to updated the board members and meeting dates for high school website.

50/50

- Stacia has been sending thank you and good luck texts to people who are buying raffles through social media/Venmo with a recent 50/50 post and asking to share the post with family and friends.
- Superintendent Cappello has offered to help with the push of the 50/50 fundraiser. He has agreed to let us put up flyers with QR code for Venmo in every school in the main offices, teacher lounges and the administrative offices.
- Keep posting on Instagram. When posting tag some friends and family members on the post.
- The big rush for selling is going to be the last two weeks of the fundraiser.
- The night we raffle off the 50/50 we will have to have 3 board members present. The date for that is Sunday, November 23, 2025.

New Business

Bag Bingo Night

- The date is locked in for Friday, February 20, 2026 at Sacred Heart.
- We will start to collect stuff for the tombola baskets after the 50/50. We are hoping for donations from local businesses who would like to get their names out. We will also be purchasing the bags and things to put in the tombola baskets.
- We would like to start up sub committees for bag bingo night.
- We will need 5 volunteers to solicit businesses with donation letters.
- Parent Square announcement to be sent out for Bag Bingo volunteers to come out to the next meeting.
- Laura suggested to do a virtual zoom meeting for volunteers, saying it may be easier than coming to a Tuesday night meeting.
- It was suggested to get volunteers for all PG events. We would start a post on Parent Square and it would request volunteers by adding a task and the name of the task and how many volunteers for the task.

- We felt starting a Sign up Genius would help to bring in more volunteers for the PG events

Urgency for new board members

- It is very important to get new board members for the 2026-2027 school year. Colleen Crandell will be the only returning board member. We want to be able to keep Project Graduation going on for years to come but will need board members to do that. Incoming freshman parents would be great.

Secretaries Report

- September Meeting minutes were approved and sent to Kate to be posted on Parent Square and the Project Graduation page on the Cinnaminson High School site.

Social Media Report-Spoke in old business
