

Dear Trip Leader,

We're thrilled to welcome you and your friends to SharpTop Cove this summer! Soon you'll be heading to the mountains of North Georgia, and all your hard work signing up teenagers for camp will be worth it.

God has called together a gifted assigned team and camp staff to partner with you in sharing the life-changing love of Jesus with your high school friends. We're honored to come alongside you as He transforms lives at SharpTop Cove this summer.

Before You Arrive

Please review the following key details as you prepare for your trip:

- **Complete the SharpTop [Area Camp Trip Survey](#)** to help us better serve your campers.
- **Send well-trained, well-rested, and spiritually strong leaders.** Ensure all required online training is completed before departure.
- **Leave political shirts and merchandise at home** to maintain a safe and unified environment.
- **Foster belonging.** We have a zero-tolerance policy for any language that creates an "us vs. them" mentality. We ask that you address this with everyone on your trip before arrival. Let's make camp the safest and most welcoming place we can.
- **Camper/Parent Agreement:** Your area may have a contract already in place with those you take to camp. If not,
- Young Life has just released an optional resource that we think is really helpful and provides clear communication for both kids and parents. You will find that resource on Staff Resources using [this link](#) and will need to scroll down the page under Belonging at Camp Resources. The agreement is offered in both [English](#) and [Spanish](#).
- **Share unique situations.** If there's anything our team should know to better serve your area, please contact Paige Tenbroeck at ptenbroeck@stc.younglife.org in the SharpTop office.
- **Arrival:** Sunday (Day 1) between **2:00–4:00 PM EST**. Please arrive during these hours.
- **Departure:** Please let your bus company know they should not arrive earlier than **1:00 PM EST**.
- **Submit all forms:**
 - **Complete your [10-Day Report](#) and [Arrival Form in YLCC](#)** by the due dates.
 - **Ensure health forms** for all campers and leaders are submitted online.
- **Read the Program Team Letter** for event details and packing information.
- **Visit the [SharpTop Trip Leader site](#)** for updates leading up to your camp week.

Our assigned team and camp staff are working diligently to prepare for an incredible week. We're praying with you as you fill your final spots and prepare hearts for what God will do at camp.

Gratefully,
Camey Dill
