Subject: "I Need Your Help!"

Hi! On Saturday, May 9th, I will be participating in the Walk for Life to raise money to benefit Choices Pregnancy Services. Because I believe in the work of Choices so much, I'm asking for your help. Thousands of women, teens & families receive no cost assistance, services, baby items and CARE. It is such a blessing – and all of their services are at no cost!

My goal is to raise \$x,xxx for Choices. You can sponsor me for any amount that you want. Most people donate \$25 or more. This is a single donation – not a per-mile pledge. All donations are 100% tax deductible and will help support families in need! To donate online, please click on my link below:

I appreciate your help. You are a great friend. God Bless You!

Love,
