ABACUS workshops are free for people who fulfill these three criteria:

- live in Counties Manukau
- have lived/living experience of mental distress or harm from alcohol or other drugs
- do not work for an organisation who can access this training through their own HR processes e.g. Mental health or AOD services. These services can access ABACUS through the training at Ko Awatea. Ask your manager for the list. We can let you know who the contact is for your organisation if your manager doesn't know.
