

The Shadow Sign Up is open.

At this time, all of the scheduled shadow spots are full, as well as all of the waitlist spots.

The Walnut Hills Shadowing Program provides an opportunity for prospective students to shadow a Walnut Hills student throughout the school day (8 am-3 pm).

Our recommendation is that you continue to check the sign up genius for any openings that become available.

Waitlisted families will be notified in the order in which they signed up. We will reach out by 3 pm the day prior via email if there is an available spot.

We will follow up with families about the shadowing experience via email on Friday, 10/23/26.
