My name is Bethelhem Eshete. I prefer Bethelhem or Betty (Bae-Tea). I am Ethiopian. I moved to the U.S. when I was 6 years old and have been in Colorado ever since. I previously worked for 4 years at CU Denver in the Pre-Collegiate Program, working with first-generation Middle School and High School students, as well as families, in preparation for High School and College. After that, I worked as a Restorative Justice Coordinator/ Student Support Liaison at Willow Elementary for 4 1/2 years. Fun fact is I love watching basketball, the Nuggets are my team. One of the most special games I have gone to was Kobe's last game here in Colorado.

I am very excited to join the McAuliffe team and can't wait to get to know you all.
