

Curriculum Night Schedule 2019-2020

Our Curriculum night is approaching on Thursday, September 12th from 6pm to 8pm. During this time, you will be visiting each of your student's classroom teachers by following their schedule. As you visit each of your student's classes, you will learn each subjects "Year at a Glance", "Top 3 Take-a-ways" and "How you can support your student at home". You'll be able to see each of the classrooms where your student spends their time learning as well as meet your student's teacher. Please complete one of the graphic organizers below with your student(s) prior to the evening, if possible. If you have more than one student, please use the graphic organizer on the second page to plan to visit classroom teachers for each of your students. If you do not complete an organizer prior, you will be given a copy of your student's schedule in advisory class at the start of the evening.
