

Privacy Policy for SWatch

Effective Date: 2024/11/12

SWatch is committed to protecting your privacy. This extension does not collect, store, or transmit any personal data, browsing data, or other user information.

Data Collection

SWatch does not collect or transmit any user data. All stopwatch states, including elapsed time and lap data, are stored locally on your device using Chrome's local storage. This data is not shared with any third parties and is not transmitted outside of your device.

Data Usage

The local storage used by SWatch is solely for the purpose of allowing users to resume their stopwatch state. No personal information, browsing history, or activity is accessed or recorded by SWatch.

Third-Party Access

SWatch does not share, sell, or provide access to any user data to third parties, as no data is collected or stored by the extension beyond the temporary stopwatch state on your device.

Changes to This Policy

This privacy policy is subject to change. Any updates to this policy will be posted here. By continuing to use the SWatch extension, you agree to the terms outlined in this policy.
