Jamie (student in English class with Max and Justin in the period right before lunch): “I wasn’t in the cafeteria today, and I’m not friends with any of those guys, but I’ve seen Max and his friends be mean to Justin in the hallways and in class when the teacher isn’t looking. Not physical or anything, but they’ll like say jokes under their breath and then laugh and stuff like that. They make him uncomfortable.”

English teacher: “To be completely honest with you, I’m not surprised that this happened. There has been a lot of tension in the school and in the town, in general, with the reorganization plan. A lot of people are very upset with the decisions of the local plant’s new management to fire people, and I must say that I myself am very surprised that they’ve done this. It’s a tremendous strain on the community, and I feel for all the families and children.”
