Northside Parents, Students, and Staff -

Incentive Field Trips are back at Northside! We have exciting news for students at Northside! Incentive field trips are back! Throughout the school year, students will have the opportunity to attend an incentive field trip at the movies, or go bowling, or spend a day at Camp Adventure, or something else fun where a student can take a break from a regular school day. It's fairly simple on how a student qualifies.

It's all based on 3 fundamental factors:

- Good behavior
- Good attendance
- Good grades

The goal is to provide incentive and reward students who are meeting the expectations as a Northside Titan. More specific details to follow this school year.

Please read below for some very important information concerning the start of the 22-23 school year at Northside.

Be Strong! Be courageous! Be a Titan!

Titan Camp for 6th graders

Registration is still open for any 6th grader to register for Titan Camp! Parents, the focus of Titan Camp is for 6th grade orientation. I highly recommend that every 6th grader join us for Titan Camp, as this will give each 6th grader a head start on the school year and help to ease the nerves and pressure of starting a new school year in a new school building. Again, I highly, highly recommend it.

- Titan Camp is a 4-day camp centered around 6th grade orientation from Monday, August 1st to Thursday, August 4th from 8:45 a.m. to 11:45 a.m.

- Titan Camp is not a bunch of busy work, filled with homework, and boredom. Titan Camp includes an exciting field trip to Camp Adventure.

An Important Message from our Northside PTO

Parents -

The Northside PTO has always been an informal organization that allows teachers and parents to collaborate. The desire is not to have officers and a budget, but to engage the school and community to come together to meet the needs of staff and students at Northside. As a result, we have created an Amazon Wish List that will be added to throughout the year with needs that arise at Northside. Currently, there are some specific needs that teachers submitted for their classroom. If you have been looking for a way to show your support, check out the Amazon Wish List and pass it on to others in the community who may want to give as well. We would also love to have more parents involved in the PTO this year. HERE is a document with more information.
