Emmy	"Back to Normal"	December 7th 2025 - present	Animator/Rigger	This series is a high-stakes Gacha Life 2 drama inspired by the intensity of the Hunger Games, but with an emotional, character-driven twist. Verity is our main character—a determined yet vulnerable contestant thrown into a deadly, televised competition where alliances are fragile, trust is dangerous, and every decision could be her last. The series blends action, mystery, and survival with strong romantic elements: love stories, messy love triangles, unexpected bonds, and heartbreak that hits just as hard as the battles. Characters face moral dilemmas, shocking reveals, and moments of growth as they fight not just for their lives, but for the people they care about. Expect emotional depth, dramatic twists, intense showdowns, and relationships that shape the entire game. This project focuses on storytelling, tension, and character connection to keep viewers hooked from episode to episode.
