

Stewart Wong CPA, CGA, retired CRA Auditor

Dear fellow Members:

It is my honour to stand as a candidate for the Retired Members Guild (RMG) Prairies/NWT Regional Representative.

Why do I want to run for this position? I want to run for this position because I believe we must continue to promote and protect our rights and interests as retired members.

As our pension, benefits and health care system are constantly threatened, we need to stand together to protect and enhance what we have earned,

Prior to my retirement, I have been a PIPSC Union Steward for more than twenty years. I was humbled to be named the Steward of the Year for this Region in 2017.

Whether it was changing from a “does not meet” to a “meets” in their performance review; or changing from a “suspension” to just a “verbal reprimand” due to an inappropriate email, it was gratifying to assist members find success in their grievances.

I truly believe the saying “divided we fall, united we stand”. Together, we can make a positive difference in our members’ lives.

Respectfully, I am asking for your support to be your voice of the RMG, Prairie/NWT Region.

The following are some highlights of my PIPSC union involvement:
