Day 4 - Financial Turmoil and Members area Benefits

Subject – Instant Product Brand New - Ai Automation Goldmine (HOT)

Hi [NAME],

The current financial climate is in turmoil! Online product sales have steadily decreased in price over the last few years, so creating and selling your own products now has become a challenge to create a return on time invested.

In short, to build and create online products and profit is harder than ever!

Here is the Simple Smart Solution:

Buy ready made, done for you products which you can have up and running in a flash. Why create your own stuff when you can have all the heavy work done for you by professionals?

Let me introduce you to the pros - my friends at the PLR Monster Team Dave Nicholson and Dan Sumner. They have created a brand new ready to go product, that will allow you to say goodbye to product creation forever.

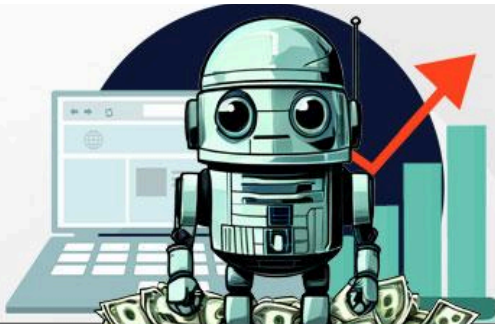

Take a look here:

Subject - The Benefits Alone Are Worth the Investment

Never mind the super high quality, huge value, innovative, profit pulling product the PLR Monster Team just launched called - Ai Automation Goldmine.

The training and benefits they offer inside their VIP members area (which you get access to when you pick up the product) is completely off the scale!

In terms of value, I've never seen training/coaching like this before given away for free. I'm amazed at the amount of time and effort that has gone into building the members' area and training. It has it all... And I mean it all.

Access to their members area is worth the price of the PLR alone - You will learn and take away sooo much.

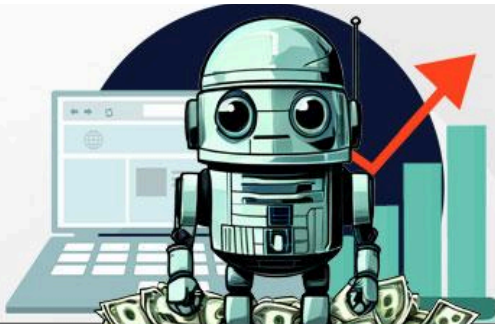

Their new PLR product - Ai Automation Goldmine - Your Gateway to Second Income Success product is also hugely impressive.

Take a look at exactly what the team have put together for you:

- A Full Minisite Point-Click-Go Setup
