

What: Kittson Central ECFE

When: Tuesday Evenings: 5:00-6:00

Where: Kittson Central Preschool Classroom (See the back of this letter for directions)

Teacher: Mrs. Lofstrom (Miss Dana)

The Kittson Central Early Childhood Family Education Program is designed for parents and their children, ages birth to Kindergarten. Our goal is to support parents in their important role as their child's first primary teacher.

We provide an informal place for parents and children to engage in different forms of learning through play. Each week, there are fun and creative activities for you to do with your young child.

Families are invited to attend any ECFE program offering. You do not have to be enrolled in weekly sessions to attend. We hope you will find something of interest for your family!

Our first ECFE session will always be held on the third Tuesday of September.

Please join us on the Facebook page ([Kittson Central ECFE](#)) to stay in touch about events!
